Depending on the level of cover **you** choose, **we** also provide a range of 'additional benefits' (see the section beginning on page 36) and **you** may also be able to add some 'optional covers' (see the section beginning on page 55 for more details on these covers and when they can be chosen).

For a summary of benefits available to **you** under this policy, please see the 'Benefits summary' section beginning on page 28.

To find out what this policy covers please read this PDS to ensure **you** have the cover **you** need.

## How to apply for this policy

Throughout this document when **we** are referring to **your** insurance broker or adviser, **we** simply refer to them as **your** intermediary.

If **you** are interested in buying this product or have any inquiries about it, **you** should contact **your** intermediary who should be able to provide **you** with all the information and assistance **you** require.

If **you** are not satisfied with the information provided by **your** intermediary, **you** can contact **us** at the address or telephone number shown on the back cover of this document. However, **we** are only able to provide factual information or general advice about the product. **We** do not give advice on whether the product is appropriate for **your** personal objectives, needs or financial situation. Therefore, **you** should carefully read this document before deciding whether to purchase this product or not.

## Our contract with you

**Your** policy is a contract of insurance between **you** and the **insurer**.

**Your** policy is made up of:

- This PDS which incorporates the policy wording beginning with the 'What you are covered for' section on page 30. This is common to all customers who buy **our BZI** Motor Insurance product. It tells **you** what is covered, sets out the claims procedures, exclusions and other terms and conditions of cover;
- **Your policy schedule** issued by **us** for the relevant **period of insurance**. The **policy schedule** is a separate document unique to **you**, which shows the insurance details relevant to **you**. It includes any changes, exclusions, terms and conditions made to suit **your** individual circumstances and may amend the policy; and
- Any other written change otherwise advised by **us** in writing (such as an endorsement or a supplementary PDS). These written changes vary or modify the above documents.

This document is also the PDS for any offer of renewal **we** may make, unless **we** tell **you** otherwise. Please keep **your** policy documents in a safe place.

**We** reserve the right to change the terms of this product where permitted to do so by law.

If there is more than one insured on the policy, then anything which any of the insureds says, does or omits to advise to **us**, applies to and affects the rights of all of the insureds.

## Significant issues to consider

Insurance contracts contain policy exclusions, policy terms and conditions and policy limits and sub-limits that **you** should be aware of when deciding to purchase **our** product. These things may affect the amount of the payment that **we** will make to **you** if **you** have a claim.

**We** may express some policy terms, policy limits or sub-limits as being either a dollar amount or a percentage of **your** sum insured shown in **your policy schedule** or some other amount, factor or item specified in the relevant clause or this document.

**You** should be aware of the following matters in considering whether this product is suitable for **your** needs.

### Exclusion for new business policies

**We** do not insure **you** for bushfire, grassfire, storm, hail, flood or tsunami in the first 72 hours of **your** policy. Very limited exceptions apply. For full details see the 'General exclusions' section beginning on page 61.

### Excesses can apply

When **you** claim under this policy an **excess** may apply – see the 'Excesses' section on page 13.

### Exclusions

In some circumstances, this policy contains a number of exclusions, some of which are common in insurance policies. Before making a decision about whether to purchase this policy, **you** should read the full details of all relevant exclusions, which are contained in this PDS. Some may not be relevant to **you**, however **you** should make yourself aware of all the exclusions that apply in all sections of this PDS.

Please refer to the 'General exclusions' section beginning on page 61 for the specific details.

### General terms and conditions

General terms and conditions applicable to all cover provided under this policy set out **your** obligations with which **you** need to comply – see the 'General terms and conditions' section beginning on page 59.

In addition, **you** should make yourself aware of all the terms and conditions that apply to the various covers detailed within this policy. If **you** do not meet them, **we** may be able to decline or reduce the claim payment or cancel **your** policy.

### Make sure you have the cover you need

**You** should discuss with **your** intermediary the appropriate cover for **you** and the amounts and risks for which **you** need to be insured. If **you** do not adequately insure for the relevant risks **you** may have to bear any uninsured losses yourself.

**You** should also advise **your** intermediary to notify **us** as soon as possible when **your** circumstances change which are relevant to **your** policy. For instance, if **you** have made any modifications to **your** vehicle or the location it is parked overnight has changed then **we** should be notified. If **you** do not tell **your** intermediary of these changes, in the event of **you** suffering a loss or damage, **your** sum insured may not be adequate to cover **your** loss, or **you** may not even have any cover under **your** policy.

## Your duty of disclosure

Before **you** enter into this contract of insurance, **you** have a duty of disclosure under the *Insurance Contracts Act 1984* (Cth).

If **we** ask **you** questions that are relevant to **our** decision to insure **you** and on what terms, **you** must tell **us** anything that **you** know and that a reasonable person in the circumstances would include in answering the questions.

**You** have this duty until **we** agree to insure **you**.

### If you do not tell us something

If **you** do not tell **us** anything **you** are required to tell **us**, **we** may cancel **your** contract or reduce the amount **we** will pay **you** if **you** make a claim, or both.

If **your** failure to tell **us** is fraudulent, **we** may refuse to pay a claim and treat the contract as if it never existed.

### Renewal, extension, reinstatement or variation

A different duty of disclosure may apply in these circumstances. **We** will inform **you** of the duty of disclosure which applies when **you** renew, extend, reinstate or vary **your** policy.

## Renewal

At least 14 days before the policy expires **we** will send **you** a renewal notice, outlining **our** renewal terms, if any. **You** are not obliged to renew the policy with **us**. **We** recommend that **you** check the new amounts to make sure they continue to cover **your** needs.

If **you** pay **your** premium by direct debit, **we** will automatically renew the policy and continue to debit **your** nominated bank account or credit card unless **you** tell **us** to stop. If **you** pay **your** premium annually, **you** must pay the full amount by the due date shown on **your** renewal invitation in order for cover to continue.

This PDS (together with any amendments, updates or endorsements that **we** give **you** in writing) also applies for any offer of renewal **we** make, unless **we** tell **you** otherwise or issue **you** with a new updated PDS.

**Your** cooling-off period continues to apply on each renewal.

Each renewal is a separate contract and not an extension of the prior contract.

# ABOUT YOUR PREMIUM

## How we determine your premium

The amount of **your premium** is determined by taking a number of different matters into account.

It is important for **you** to know in particular that the **premium** varies depending on the information **we** received from **you** about the risk to be covered by **us**. The higher the risk is, the higher the **premium** will be. Based on **our** experience and expertise **we** decide what factors increase **our** risk and how they should impact on the **premium**. Each insurer can do this differently.

In this product the following are some of the factors that are taken into consideration when determining the appropriate **premium**:

- the value of **your vehicle**, including any non-standard modifications or accessories that have been added to it;
- where the **vehicle** is parked overnight;
- the details of the **named drivers of your vehicle**, including their age, gender, driving experience and claims history;
- whether the **vehicle** is used for private purposes, or also used in conjunction with a business;
- the level of cover **you** have chosen and whether **you** have chosen any optional covers or not;
- the **excess you** have chosen. If **you** elect to take a higher **excess** in the event of a claim, this will reduce the cost of **your premium**. **Your** intermediary can supply **you** with quotes based on differing amounts of **excesses**.

**Your** intermediary can arrange for **you** to be provided with a quote for a **premium**. **You** will need to give all **your** relevant personal details to **your** intermediary at this time to enable **us** to calculate **your premium**.

Any fees **we** charge for roadside assistance under the 'Automatic roadside assistance' additional benefit for Comprehensive Plus cover (see page 44) or the 'Roadside assistance' optional cover for Comprehensive cover (see page 58) will be shown separately on **your policy schedule** and are not considered to be part of **your premium**.

Another important thing to know is that **your premium** also includes amounts that take into account **our** obligation to pay any relevant compulsory government charges, taxes or levies (e.g. Stamp Duty, GST and Fire Services Levy) in relation to **your policy**. Roadside assistance fees will include an amount for GST. These amounts will be set out separately on **your policy schedule** as part of the total amount due for the policy.

Also, minimum **premiums** may apply. Any discounts or entitlements may be subject to rounding and only apply to the extent any minimum **premium** is not reached.

**BZI** may also add an agency fee to the **premium** that is charged, and this will be shown on **your policy schedule**. The agency fee will only be refunded when the policy is cancelled within the cooling-off period (see page 26) or where the cancellation is effective from the start of the **period of insurance**.

## How to pay your premium

There are three ways that **you** can pay **your premium**:

- an annual payment to **your** intermediary;
- if provided, an annual payment directly to **BZI** from **your** credit card or from **your** bank account which can be arranged by **you** or **your** intermediary; or
- if provided, in monthly instalments by automatic deduction from **your** credit card or from **your** bank account which can be arranged by **you** or **your** intermediary.

**You** must pay **your premium** in the manner set out on **your policy schedule**.

### How to pay your premium via your intermediary

If **you** are paying **your annual premium** via **your** intermediary, **you** must pay them by the due date shown on **your policy schedule**. If **your premium** is unpaid by the due date **we** may be entitled to reduce or refuse to pay a claim and cancel this policy.

### How to pay your annual premium directly to BZI

If **you** are paying **your annual premium** directly to **BZI**, **we** will deduct **your annual premium** from **your** nominated bank account or credit card within three business days after the day the details of the credit card or bank account have been provided to **us**.

If an attempt to deduct **your annual premium** is dishonoured for any reason, **we** will notify **you** and/or **your** intermediary and provide details on:

- any actions required by **you**; and
- when **we** will next attempt to deduct the annual **premium**.

After three unsuccessful attempts to deduct the annual **premium**, **we** may cancel this policy. **We** will send a notice to **you** and/or **your** intermediary with details of the action **we** intend to take and when the cancellation will become effective.

## How to pay your instalment premium

**We** will deduct **your** instalment **premiums** each month from **your** nominated bank account or credit card on the day of the month shown on **your policy schedule** as **your** payment date (or the next business day if **your** payment date falls on a weekend of public holiday in any given month).

When **you** renew **your** policy, **we** will continue to deduct **your** instalment **premiums** for **your** renewed policy on the same day of the month, unless **you** tell **us** otherwise.

Further details of **your** instalments are shown on **your policy schedule**.

If any instalment **premium** is dishonoured for any reason, **we** will notify **you** and/or **your** intermediary and provide details on:

- any actions required by **you**; and
- when **we** will next attempt to deduct that instalment **premium**.

After three unsuccessful attempts to deduct a given instalment **premium**, **we** may cancel this policy. **We** will send a notice to **you** and/or **your** intermediary with details of the action **we** intend to take and when the cancellation will become effective.

If the first instalment in the **period of insurance** is dishonoured and remains unpaid after three attempts at being deducted, this policy will not operate and there will be no cover.

In the event that **you** fail to make any of **your** instalment **premium** payments when they are due, **you** may be responsible for any administration or dishonour fees which may be charged by **BZI**, **BZI's** financial institution, and/or **your** financial institution.

**We** are entitled to deduct any unpaid **premium** instalments from any amount **we** pay **you** under a claim.

**We** may not pay a claim under this policy if, at the time the claim occurred, any instalment of **premium** has remained unpaid for 14 days or more.

**You** must tell **us** if **your** nominated bank account or credit card details change. **You** must do this no later than 7 days before **your** next instalment is due.

If **your** policy has been included as part of a 'package' of **BZI** policies then the instalment **premiums** for all policies on that package will be combined and one instalment will be collected on each instalment date. The details of the combined instalment schedule for the package will be shown on **your** package schedule which **your** intermediary should provide to **you**.

If an instalment for a package is dishonoured for any reason then the approach detailed above will apply to all policies in that package. In particular, after three unsuccessful attempts to deduct a given instalment **premium** for a package, **we** may cancel all policies in the package.

# ABOUT THE VALUE OF YOUR VEHICLE

Under this policy **we** may insure **your vehicle** for an **agreed value** or for its **market value**. **Your policy schedule** will show whether **your vehicle** is insured for an **agreed value** or **market value**. Unless otherwise stated the value of **your vehicle** in this policy will exclude GST. (Please see the 'Goods and Services Tax' section on page 24 for more details on how **we** will treat GST in the event of a claim).

## Agreed value

When **your vehicle** is insured for **agreed value**, the **agreed value** will be shown on **your policy schedule** and is the amount **we** agree to insure **your vehicle** for. The **agreed value** should include the value of any non-standard accessories and/or modifications added to **your vehicle**, unless they are automatically covered under the additional benefit 'Accessories, spare parts and tools' (see page 51). See the 'Non-standard modifications and accessories' section below for more details.

## Market value

When **your vehicle** is insured for **market value**, if there is a claim on **your vehicle** **we** will assess its **market value** at that point in time by considering:

- the condition of **your vehicle** and its age prior to the claim;
- any non-standard accessories or modifications added to **your vehicle** that have been specified on **your policy schedule** (see below for more details);
- local market prices for vehicles similar to **your vehicle**; and
- motor vehicle valuation guides that are commonly used by the motor industry.

## Non-standard modifications and accessories

All accessories and modifications on **your vehicle** that are fitted as standard features or equipment by the manufacturer are automatically included in the **market value** or **agreed value**.

If **your vehicle** has non-standard accessories or modifications added to it (including those fitted by the manufacturer or dealer) then they may be automatically covered under the additional benefit 'Accessories, spare parts and tools' (see page 51), however this cover is limited to:

- the lesser of **\$2,000** or **5%** of the **vehicle's** value (**agreed value** or **market value**); and
- accessories that do not enhance the performance of the **vehicle**, for example excluding any that:
  - increase the **vehicle's** power output or maximum speed;
  - improve the performance of the **vehicle's** steering and/or brakes;
  - lower the **vehicle's** suspension; and/or
  - are equipment designed for the purposes of racing.

Therefore, for cover in addition to the automatic cover under that additional benefit, any non-standard accessories or modifications must be notified to **us** and **we** must to agree to insure them under this policy, in which case:

- they will be shown on **your policy schedule**, including the value that they have been insured for which is the most **we** will pay for that item in any one claim; and
- **we** may charge an additional **premium** or impose a policy condition.

All performance-enhancing modifications must be notified to **us** so **we** can agree to insure the **vehicle** including those modifications under this policy.

# CLAIMS

## About making a claim

### How to make a claim

If **you** need to make a claim under this policy, please contact **your** intermediary to assist **you** in lodging the claim with **us**.

Alternatively, if it is an emergency outside business hours or **you** would like to lodge the claim with **us** directly, please use one of the following methods to do so:

- phone **us** on 1300 253 692 (toll free) or +61 2 9301 8018 (if dialling from overseas); or
- register **your** claim online at [www.bzi.com.au/newclaim](http://www.bzi.com.au/newclaim) and **our** claims staff will contact **you**.

### What you must do

If there is an incident which may result in **you** needing to claim under this policy, **you** must:

- ensure everyone is safe and if necessary call for emergency services;
- take all reasonable steps to prevent and limit any further loss or damage;
- contact the police immediately if:
  - **your vehicle** has been stolen or maliciously damaged; or
  - **your vehicle** has been involved in an accident that has resulted in someone being injured, and provide **us** with the details of the police officer and police station where it was reported;
- if **your vehicle** is involved in an accident **you** must collect the details of all drivers, passengers and witnesses, and owners of any other property (such as buildings) which were also damaged:
  - full name;
  - address;
  - phone number; and
  - vehicle registration and insurance details of all vehicles involved.
- contact **us** as soon as possible (see the 'How to make a claim' section above) and:
  - provide **us** with any information required to understand the circumstances of the loss or damage so **we** can lodge the claim and determine the most appropriate next action;
- tell **us** about **your** entitlement to input tax credits (ITCs) for **your** insurance **premium** if **you** are registered for goods and services tax (GST) (see the 'Goods and Services Tax' section on page 24 for more detail);  
**We** will advise **you** of the next steps to ensure the claim can be resolved as quickly as possible.
- notify **us** immediately if **you** receive any of the following:
  - demands from other parties involved;
  - notices of prosecution or impending prosecution;
  - details of an inquest or official enquiry; and/or
  - other similar communications from anyone involved in the incident.

Any delay in advising **us** of any of these may result in no cover for legal or other costs resulting from that delay.

## What you must not do

If **you** believe that **you** are likely to make a claim that would be covered under this policy, **you** must not:

- admit to anyone that **you** were responsible for the loss or damage, or that the accident was **your** fault;
- negotiate, offer or promise any payments associated with the claim;
- accept any payment from anyone (including payment of any **excess** amount) unless **you** have **our** prior consent;
- agree to settle any claim without **our** prior consent;
- authorise or carry out any repairs without **our** authority, except emergency repairs which are required to allow **you** to safely drive **your vehicle** from the location of where the loss or damage occurred (please see the 'Emergency repairs' additional benefit on page 46);
- dispose of any property that has been damaged, or stolen property that is recovered; or
- make any false statements in connection with **your** policy or any claim **you** make.

If **you** do not follow these steps, **we** can reduce any claim by an amount that fairly represents the extent to which **our** interests have been prejudiced.

## Excesses

For each of the available covers, an **excess** may apply. An **excess** is not an additional fee charged by **us** at the time of making a claim. Rather, it is the uninsured first portion of a loss for which **you** are otherwise covered, i.e. the amount that **you** must contribute towards each claim.

Details of the **excess** amounts and circumstances in which they will be applied are set out in the definition of **excess** (see 'Definitions' section beginning on page 64) and the relevant section of this PDS that outlines the cover **we** provide.

In this policy the following **excesses** may apply for any given claim:

- basic **excess**;
- undeclared young driver **excess**;
- undeclared inexperienced driver **excess**;
- undeclared driver history **excess**.

The amount of these **excesses** will be shown on **your policy schedule** or in this PDS. Please refer to the detail in the remainder of this section following sections for more details on when these **excesses** may apply.

In some situations no **excess** will need to be paid (see 'When you do not have to pay an excess' below) or the amount of the **excess** will be reduced if certain conditions are met (see 'Preferred repairer excess rebate' below).

### Basic excess

The basic **excess** applies to all claims on the policy unless specifically mentioned in the 'When you do not have to pay an excess' section below.

The basic **excess** **you** have chosen will be shown on **your policy schedule**.

## Undeclared young driver excess

The undeclared young driver **excess** applies to any claim where the driver of **your vehicle** (or **substitute vehicle**) at the time of the incident that gave rise to the claim:

- is under the age of 25; and
- is not a **named driver** listed on **your policy schedule**.

The undeclared young driver **excess** is payable in addition to the basic **excess** on the policy.

**You** will not be required to pay the undeclared young driver **excess** when:

- the basic **excess** is not payable (see 'When you do not have to pay an excess' below); or
- the claim is for one of the following (and the basic **excess** is payable):
  - loss or damage to the windscreen, window glass, mirror glass or sunscreen glass only;
  - damage while **your vehicle** is parked;
  - theft, attempted theft, vandalism or malicious damage; or
  - hail, storm, flood or fire damage; or
- the driver was:
  - a learner driver accompanied by someone with a full unrestricted Australian drivers licence; or
  - performing their duties as a car park or valet attendant, or whilst **your vehicle** was being repaired or serviced; or
- **you** can prove that **you** did not consent to that person driving **your vehicle** (or **substitute vehicle**).

## Undeclared inexperienced driver excess

The undeclared inexperienced driver **excess** applies to any claim where the driver of **your vehicle** (or **substitute vehicle**) at the time of the incident that gave rise to the claim:

- is aged 25 years or over; and
- has had their drivers licence for less than 2 years; and
- is not a **named driver** listed on **your policy schedule**.

The undeclared inexperienced driver **excess** is payable in addition to the basic **excess** on the policy.

**You** will not be required to pay the undeclared inexperienced driver **excess** when:

- the basic **excess** is not payable (see 'When you do not have to pay an excess' below); or
- the claim is for one of the following (and the basic **excess** is payable):
  - loss or damage to the windscreen, window glass, mirror glass or sunscreen glass;
  - damage while **your vehicle** is parked;
  - theft, attempted theft, vandalism or malicious damage; or
  - hail, storm, flood or fire damage; or
- the driver was a learner driver accompanied by someone with a full unrestricted Australian drivers licence; or
- **you** can prove that **you** did not consent to that person driving **your vehicle** (or **substitute vehicle**).

## Undeclared driver history excess

The undeclared driver history **excess** applies to any claim where the driver of **your vehicle** (or **substitute vehicle**) at the time of the incident that gave rise to the claim:

- has had their drivers licence cancelled, suspended, disqualified or restricted in the 3 years prior to the start of the **period of insurance**; and
- is not a **named driver** listed on **your policy schedule**.

The undeclared driver history **excess** is payable in addition to the basic **excess** on the policy.

**You** will not be required to pay the undeclared driver history **excess** when:

- the basic **excess** is not payable (see 'When you do not have to pay an excess' below); or
- the claim is for one of the following (and the basic **excess** is payable):
  - loss or damage to the windscreen, window glass, mirror glass or sunscreen glass;
  - damage while **your vehicle** is parked;
  - theft, attempted theft, vandalism or malicious damage; or
  - hail, storm, flood or fire damage; or
- **you** can prove that:
  - **you** did not consent to that person driving **your vehicle** (or **substitute vehicle**); or
  - **you** had no reason to suspect their drivers licence had been cancelled, suspended, disqualified or restricted in the prior 3 years.

## When you do not have to pay an excess

**You** will not be required to pay any **excess** if:

- the accident was not **your** fault, meaning:
  - (a) it was a multi-vehicle collision and the driver of **your vehicle** did not contribute to the cause of the accident; or
  - (b) **your vehicle** was damaged while parked; or
  - (c) **we** can recover the claimable loss.

For (a) and (b) **you** will need to provide **us** with the full name and address of each responsible party, and the registration number of all other vehicles involved in the accident.

- the claim is covered under:
  - the 'Automatic windscreen excess waiver' additional benefit for Comprehensive Plus cover (see page 45); or
  - the 'Windscreen excess waiver' optional cover for Comprehensive cover if it has been included (see page 56).

## Preferred repairer excess rebate

If **your vehicle** requires repairs and **you** choose to have the repairs performed by one of **our** network of **preferred repairers** then the **excess you** need to pay will be reduced by the 'Preferred repairer excess rebate'. The amount of the 'Preferred repairer excess rebate' will be shown on **your policy schedule**.

Some conditions, exclusions and limitations apply. Please refer to the 'Preferred repairer excess rebate' additional benefit on page 47 for more details.

## Choice of repairer

If **your vehicle** requires repairs from a claim under this policy which **we** have accepted:

- **we** can recommend one or more of our **preferred repairers** that would be best suited to carry out those repairs (if any are available near **your** location); or
- **you** can arrange for the repairs to be done by a repairer of **your** choice.

In either situation **we** will work closely with the repairer to ensure that the best outcome for **your vehicle** is achieved. However, if **you** choose for the **vehicle** to be repaired by a repairer of **your** choice then **we** can choose to:

- get a second quotation from a repairer chosen by **us** to determine the **reasonable repair costs** for **your vehicle**;
- authorise the repairs to be done at **your** repairer of **your** choice;
- pay **you** an amount equal to the **reasonable repair costs** if **we** do not authorise the repairs through the repairer of **your** choice. Note that when **we** do not authorise the repairs via **your** chosen repairer then **we** will not provide a lifetime guarantee on the repairs to **your vehicle** that they perform (see below for the 'Lifetime guarantee for repairs' on page 18).

If **you** choose one of **our preferred repairers** to perform the repairs to **your vehicle** **you** will be eligible for the 'Preferred repairer excess rebate' (see page 15).

## Spare parts, extras and accessories

If **we** authorise the repairs to **your vehicle** through one of **our preferred repairers** or a repairer of **your** choice, **we** will authorise that repairer to:

- only use manufacturer approved parts if the **vehicle** is under warranty (but not under extended warranty and not in relation to windscreens or window glass – see 'Windscreen or window glass repairs' below);
- otherwise use new genuine parts or genuine parts that meet Australian Design Rules requirements and are consistent with the age and condition of **your vehicle**.

The most **we** will pay for a spare part, extra or accessory is:

- the maker's last list price in Australia; or
- if it is not available in Australia:
  - the cost of the part/extra/accessory and the cost of surface freight from the nearest reasonable source of supply; or
  - the cost of similar comparable parts or accessories,

plus a reasonable charge for fitting it to **your vehicle**.

## Windscreen or window glass repairs

If **your vehicle** requires repairs to a windscreen, window glass, mirror glass or sunroof glass, **we** may replace the glass with glass that was not produced by the original manufacturer but which will meet Australian Design Rules.

# What happens after you make a claim

## Settling or defending your claim

**We** will be solely responsible for determining whether **you** contributed to the cause of the accident or not.

If **we** agree **you** have a claim, only **we** have the right to:

- make or accept any offer or payment, or in any other way admit that **you** are liable;
- settle, or attempt to settle, any claim; or
- defend any claim.

## Assisting us with your claim

**You** must assist **us** with managing, settling or defending **your** claim, including:

- providing **us** with all information and assistance that **we** may reasonably require;
- send **us** copies of any notice, letter, claim, writ or summons as soon as possible after **you** receive it; and
- co-operate with **us** in defending or settling **your** claim, or in recovering any amount payable under this policy from another person (see below).

**You** must assist **us** even after **your** claim has been paid.

Any failure to assist **us** with **your** claim may mean that **we** do not pay **your** claim, or that **we** may reduce the amount paid.

## Our rights of recovery

After **we** have paid a claim under **your** policy, either in total or in part, **we** have the right to take over any legal right of recovery which **you** have. If **we** do this, it will be for **our** benefit and at **our** expense (if **you** have been fully reimbursed) and **we** have full discretion in the conduct, settlement or defence of any claim **we** bring in **your** name.

**You** must not limit or restrict **your** rights of recovery against any third party without **our** prior written consent. If **you** prevent **our** right to recover by agreeing not to seek compensation from a person who is liable to compensate **you** for any loss, damage or liability that is covered under this policy, **we** will not provide **you** with cover under this policy for that loss, damage or liability.

If **we** recover more than the amount **we** paid **you**, **we** will pay **you** the balance after deducting any expenses incurred by **us** in undertaking the recovery.

## Authorising repairs

**You** cannot authorise repairs to **your vehicle** without **our** authority, except emergency repairs which are required to allow **you** to safely drive **your vehicle** from the location of where the loss or damage occurred (please see the 'Emergency repairs' additional benefit on page 46).

Prior to **us** making a decision regarding **your** claim and any repairs that may be required **we** may need to get a motor vehicle assessor to inspect **your vehicle**. **We** will make the necessary arrangements with **you** to allow this to happen.

## Choosing a repairer

This policy provides options regarding how **you** can choose a repairer to repair **your vehicle** if **we** accept a claim under this policy for such repairs, including using one of **our preferred repairers** or arranging for the repairs to be done by a repairer of **your** choice.

Please refer to the 'Choice of repairer' section on page 16 for more details.

## Lifetime guarantee for repairs

If **we** authorise the repairs to **your vehicle** through one of **our preferred repairers** or a repairer of **your** choice then **we** will guarantee the repairs against any defect due to workmanship or faulty material for the life of **your vehicle**.

If **we** do not authorise the repairs to **your vehicle** through the repairer of **your** choice then **we** will not provide a lifetime guarantee for the repairs.

## Sub-contracting repairs

When **we** authorise a repairer to repair **your vehicle** that repairer may sub-contract some of the repairs to a person of their choice. This will usually occur when the repairer is unable to perform the repairs itself because they require the services of a specialist repairer or supplier.

## Parts required to repair your vehicle

Please refer to the 'Spare parts, extras and accessories' and 'Windscreen or window glass repairs' sections on page 16 for more information on how **we** manage any parts, accessories or windscreen/window glass required to repair **your vehicle**.

## Salvage of your vehicle

If **we** pay a claim for the **total loss** of **your vehicle**, the wreckage of **your vehicle** (including any non-standard accessories or modifications noted on **your policy schedule**) will become **our** property. **We** will keep any proceeds from the sale of the wreckage.

## Premiums following a total loss

If **your vehicle** has been deemed a **total loss** and **we** have agreed to pay **you** the **agreed value** or **market value** of **your vehicle**:

- any unpaid **premium** for the **period of insurance** that the claim occurred in will be deducted from the claim payment (except if **you** are paying by instalments and **we** are replacing **your vehicle** – see below);
- **we** will not return the **premium** associated with the unexpired portion of the **period of insurance**.

If **we** replace **your vehicle** under one of the following additional benefits:

- for Comprehensive Plus cover – 'Lifetime new-for-old replacement following total loss' (page 36);
- for Comprehensive Plus cover and Comprehensive cover – 'New-for-old replacement following total loss' (page 37),

then **we** will continue to cover the replacement **vehicle** for no additional **premium** until the end of the **period of insurance**. However, if **you** are paying **your premium** by instalments **you** will need to continue to pay the instalments for the remainder of the **period of insurance**.

## When we may refuse a claim

To ensure **you** understand any situations in which a claim under this policy may be refused, it is important that **you** read and understand the following two sections of the PDS:

- the 'General terms and conditions' section beginning on page 59 which sets out **your** obligations under this policy with which **you** need to comply; and
- the 'General exclusions' section beginning on page 61 which lists situations where **we** may refuse to pay **your** claim.

## Hire car arrangements

If **we** have provided **you** a hire car under an additional benefit or optional cover under this policy, **you**:

- may be required to enter a hire car agreement directly with the provider;
- are responsible for all running costs and extras, including paying the deposit, security bond, fuel, any upgrade costs, and the cost of reducing the standard hire car **excess**;
- are responsible for any penalties or fines (such as parking fines or speeding infringements) incurred in the hire car;
- may be provided with insurance cover for the hire car – please refer to the additional benefit 'Insurance cover for hire car' on page 43 for more details;
- must arrange for and pay for all hire car costs (including the cost of insurance) for any period outside the period covered under this policy;
- may be required to refund any costs **we** incur with respect to a hire car if **you** withdraw **your** claim or refuse to accept **your** claim.

## Claims examples

Below are some examples of claim scenarios that are included here to show how a claim payment might typically be calculated. These examples are a guide only and do not cover all of the potential scenarios or all benefits that may be paid under this policy. They do not form part of the terms and conditions of this policy.

**BZI** will determine actual claims payments on an individual basis taking into consideration the facts applicable to the claim and **our** assessment of any loss or damage, as well as the coverage, exclusions and **excesses** set out in this policy and on **your policy schedule**.

**Example 1 – partial loss following an at-fault accident**

**You** have **your vehicle** insured under a **BZI** Motor Insurance policy, with the following details:

- Cover type: Comprehensive
- **Vehicle** value: \$26,000 (**agreed value**)
- Basic **excess**: \$1,000
- Optional covers: Hire car extension

**Your vehicle** is involved in an accident that is the fault of the driver of **your vehicle**, who is listed on **your policy schedule**. The car is safe to drive after the accident and does not require any emergency repairs.

**We** assess **your vehicle** and determine that it will cost \$4,000 to repair the **vehicle**.

**We** advise that one of **our preferred repairer** network is close to where **you** live and **you** agree to them performing the repairs. The repairer estimates that the car will take 5 days to repair, during which time **you** will be entitled to a hire car (because **you** purchased the optional 'Hire car extension') and **you** advise **us** that **you** would like to use one of **our** providers for this.

How much we pay		Explanation
Repair costs	\$4,000	<b>We</b> will normally pay this directly to the repairer.
Less basic <b>excess</b>	-\$1,000	The basic <b>excess</b> is \$1,000 which is payable given the accident was the fault of the driver of <b>your vehicle</b> .
Plus 'Preferred repairer excess rebate'	+\$200	However, because <b>you</b> have chosen to use one of <b>our preferred repairers</b> <b>we</b> reduce this amount by \$200.
	-\$800	Therefore an amount of \$800 needs to be paid and normally <b>we</b> will ask <b>you</b> to pay this directly to the repairer.
Two taxi fares from/to repairer	2x\$40 \$80	<b>You</b> take a taxi from the repairer to the hire car provider and back again. <b>We</b> reimburse <b>you</b> for these two trips.
<b>Total claim payment</b>	<b>\$3,280</b>	
Plus hire car costs		<b>We</b> will pay the hire car provider directly for the 5-day period while the car was being repaired.

## Example 2 – total loss

**You** have **your vehicle** insured under a **BZI** Motor Insurance policy, with the following details:

- Cover type: Comprehensive Plus
- **Vehicle** value: \$42,000 (**agreed value**)
- Basic **excess**: \$600

**Your vehicle** is stolen and subsequently recovered burnt out 3 days later. **We** assess **your vehicle** and determine that given the damage it has suffered it is a **total loss**.

In **your vehicle** at the time it was stolen was a child seat and backpack containing a laptop, neither of which have been recovered.

During the period from **us** accepting **your** claim to **us** finalising **your** claim **you** agree to a hire car from **our** provider under the 'Unlimited hire car' additional benefit.

How much we pay		Explanation
<b>Total loss</b> payment	\$42,000	The <b>agreed value</b> for the <b>vehicle</b> given it is a <b>total loss</b> .
Unspecified accessories	\$800	<b>Your vehicle</b> had a non-standard reverse-parking camera installed. This was not specified on the <b>policy schedule</b> but is covered under the 'Accessories, spare parts and tools' additional benefit (as less than \$2,000 and 5% of the <b>agreed value</b> ).
Child seat	\$400	<b>We</b> determine that it will cost \$400 to replace the child seat.
Personal items and clothing	\$1,000	The laptop was worth \$1,200, however the maximum <b>we</b> will pay for any item under the 'Personal items and clothing' additional benefit for Comprehensive Plus cover is \$1,000.
Less <b>excess</b> payable	-\$600	Only the basic <b>excess</b> applies.
Less outstanding <b>premium</b>	\$0	The annual <b>premium</b> for this <b>period of insurance</b> was \$1,400 and has been paid. The claim happens halfway through the <b>period of insurance</b> , however <b>we</b> do not return the unexpired portion of the <b>premium</b> . If the <b>premium</b> was being paid by instalments then any future instalments would be included here.
<b>Total claim</b> payment	\$43,600	This amount would normally be paid directly to <b>you</b> in a <b>total loss</b> situation.
Plus hire car costs		<b>We</b> will pay the hire car provider directly for the period up until the claim is settled.

### Example 3 – total loss with new-for-old replacement

If the circumstances were the same as in example 2, however:

- **you** had purchased **your vehicle** as new; and
- insured it continuously under **our BZI** Motor Insurance policy with Comprehensive Plus level of cover since **you** purchased it,

then under the 'Lifetime new-for-old replacement following total loss' additional benefit **you** would be entitled to a new **vehicle** of the same make, model and series (or similar if it is no longer available), including similar accessories, tools and spare parts (subject to local availability).

**We** would also pay any on-road costs associated with the replacement **vehicle**, including:

- 12 months registration costs;
- 12 months compulsory third party insurance;
- statutory charges; and
- dealer delivery charges.

**We** would provide **you** a payment of \$1,400 for the child seat and laptop (as in example 2).

**You** would need to pay the **excess** of \$600 to the dealership who has provided **you** with the replacement **vehicle**.

**Your** new replacement **vehicle** would be covered under this policy until the end of the **period of insurance** for no additional **premium**, however **you** would need to continue to pay the instalments for the rest of the **period of insurance** if that was the method by which **you** were paying **your premium**.

### Example 4 – legal liability for damage to a third party's property

**You** have **your vehicle** insured under a **BZI** Motor Insurance policy, with the following details:

- Cover type: Third Party Property Damage
- Basic **excess**: \$500

A driver of **your vehicle** who is under 25 years of age and not listed on **your policy schedule** is involved in an accident in **your vehicle**, and the accident is their fault. The damage to the third party's vehicle will cost \$3,800 to repair and they will also be entitled to a hire car for 5 days at \$80 per day.

How much we pay		Explanation
Third party repair costs	\$3,800	<b>We</b> will normally pay this to the third party claimant.
Third party hire car costs	5x\$80 \$400	<b>We</b> will normally pay this to the third party claimant.
Less <b>excess</b> payable:		Because the driver of <b>your vehicle</b> was under 25 years old and not listed on <b>your policy schedule</b> , in addition to the basic <b>excess</b> of \$500 <b>you</b> will also need to pay <b>us</b> the undeclared young driver <b>excess</b> of \$1,250.
<ul style="list-style-type: none"> <li>▪ Basic <b>excess</b></li> <li>▪ Undeclared young driver <b>excess</b></li> </ul>	-\$500 -\$1,250	
Total claim payment	\$2,450	<b>We</b> will pay this amount as well as the excesses paid by <b>you</b> to the third party claimant (i.e. \$4,200 in total).

### Example 5 – emergency repairs and accommodation after a not-at-fault claim

**You** have **your vehicle** insured under a **BZI** Motor Insurance policy, with the following details:

- Cover type: Comprehensive
- **Vehicle** value: **Market value**
- Basic **excess**: \$1,000
- Optional covers: None

While on holiday in **your vehicle you** are involved in an accident where the driver of the other vehicle was at fault. At the scene of the accident **you** capture the name, address, registration plate and insurance details of the other driver and advise them to **us** as part of notifying **us** of the claim.

In order to drive **your vehicle** back home **you** need some emergency repairs in the nearest town (which is 300km from where **you** live) and these emergency repairs can only be done the following morning.

Once **you** return home **we** assess **your vehicle** and determine that the repairs will cost \$7,000 to repair, however as this is below our assessment of the **market value** of the **vehicle** it will not be a **total loss**.

**You** advise that **you** would like to use one of our **preferred repairer** network to perform the repairs and will require a hire car while it is in being repaired and **you** will arrange that directly with a hire car provider that **we** agree to.

How much we pay		Explanation
Emergency repair costs	\$300	This is below the limit of \$500 for the 'Emergency repairs' additional benefit so <b>we</b> will pay this in full.
Emergency accommodation costs	\$180	Because the accident occurred more than 100km from where <b>you</b> live <b>we</b> will pay for the night's accommodation in the local town (up to \$500).
Repair costs	\$7,000	<b>We</b> will pay this directly to <b>our preferred repairer</b> .
Hire car costs	7 days @\$80  \$560	Although <b>you</b> didn't purchase the 'Hire car extension' optional cover, a hire car is provided under the 'Hire car following a not-at-fault accident' additional benefit. Because <b>you</b> used <b>your</b> provider <b>we</b> will pay up to \$100 per day for the 7 days <b>you</b> needed the hire car while <b>your vehicle</b> was being repaired.
Less <b>excess</b> payable:	\$0	No <b>excess</b> is payable because <b>you</b> were not at fault and able to provide <b>us</b> with the details of the other driver.
Total claim payment	\$8,040
