Paying claims

Excesses that apply when you make a claim

An 'excess' is your contribution towards the cost of a claim. We will tell you if you will need to pay an excess when you make a claim. If we settle your claim by cash settlement we will deduct the excess from the amount we pay you. In other circumstances, you may need to pay the excess as a contribution to the repair or replacement.

In most instances you can select, at the time of your enquiry or application for insurance, the amount of the excess you wish to pay should you make a claim. When you select a higher excess amount we will normally reduce the amount of the premium you will have to pay.

We take into consideration a number of factors in setting the amount of the excess. These include factors relating to the type of property being insured, where the property is located, the type of construction and your previous insurance and claims history.

At the time of your enquiry or application for insurance, the amount of the excess will be advised to you.

For each claim for your buildings and your contents, we will reduce the amount we pay you for your claim by the amount of the excess. The amount of your excess is shown on your schedule.

An additional excess amount of \$250 will apply for any claim for loss or damage arising from an earthquake or tsunami. This loss or damage must occur within 72 hours of the earthquake.

When a claim is paid for loss or damage to your buildings and your contents, the excess amount will only be applied once. You will not be required to pay any excess in the event that your buildings or contents are a total loss or when the loss or damage is a result of a government declared natural disaster other than earthquake or tsunami.

When a claim is paid under 'Additional things we will pay for when you have insured your buildings' only, or 'Additional things we will pay for when you have insured your contents' only, your excess will not apply. Sum insured, limits and sub-limits of liability shall apply in addition to, and shall not be reduced by, the amount of any applicable excess.

The most we will pay for your buildings or your contents

The most we will pay for any claim for your buildings or your contents is the sum insured shown on your schedule. This does not apply to amounts payable under 'Additional things we will pay for when you have insured your buildings', or 'Additional things we will pay for when you have insured your contents', or 'Additional things we will pay for when you have insured your buildings and/or your contents'.

There are some contents items that we will only cover up to a certain amount. See 'What are your contents' on pages 34 to 36 for details of these contents items and the amounts we will pay.

How we pay a claim for your buildings

When loss or damage occurs to your buildings, we will pay the cost of rebuilding your buildings or repairing the damaged portions to the same condition as when they were new.

We will also pay any additional costs required for your buildings to comply with government or local authority bylaws. We will not pay these additional costs if you were required to comply with these bylaws, and had not done so, before the loss or damage occurred.

Rebuilding or repairing your buildings must commence within six months of the loss or damage occurring. We will extend this period to the extent that we caused or contributed to the delay. If it does not commence within this time, we will do one of the following:

- Reinststate or repair your buildings to the condition they were in just before the loss or damage occurred;
- Pay you the cost of reinstating or repairing your buildings to the condition they were in just before the loss or damage occurred; or
- Pay you the value of the land and your buildings just before the loss or damage occurred. We will reduce this payment by the value of your land and your buildings after the loss or damage occurred.

We decide which one we will do (acting reasonably).

We will pay for the damaged portion of fixed coverings to walls, floors and ceilings only in the room, hall or passage where the damage occurred.

We will try to match any material used to repair your buildings with the original materials. If we cannot, we will make best efforts to use the nearest equivalent available to the original materials. We will not pay any costs for replacing undamaged property.

If the damage was caused by liquid that escaped from a bath, basin, sauna, spa, shower base or shower wall, we will pay the costs to repair your buildings. We will not pay the costs to repair or replace the bath, basin, sauna, spa, shower base or shower wall.

How we pay a claim for your contents

When loss or damage occurs to any contents item, we will do one of the following:

- Replace the item with the nearest equivalent new item;
- Repair the item to the condition it was in when new; or
- Pay you the cost of replacement or repair.

We decide which one we will do (acting reasonably).

We will pay for the cost of replacement for:

- Carpets;
- Wall, floor and ceiling coverings; and
- Internal blinds and curtains

only in the room, hall or passage where the loss or damage occurred.

When an item is part of a pair, set, system or collection, we will only pay for the value of the item itself. The most we will pay is the value that the item has as a proportion of the combined pair, set, system or collection. We will only pay the cost of replacing the item even though the pair, set, system or collection to which it belongs is less valuable because it is incomplete.

If a claim relates to replacement of lost or damaged refrigerators, freezers, washing machines, clothes dryers and dishwashers, with less than a 3 Star Energy Rating, we will replace these items with items that have a minimum 3 Star Energy Rating.

Part C – Personal Effects

This section of the policy only applies when your schedule shows that you have requested cover for Personal Effects.

Contents are automatically covered whilst temporarily removed in accordance with 'Cover for your contents away from your situation' on pages 38 to 39 however limits apply. If cover for higher amounts is required please select this cover.

What are personal effects

- Valuable items:
 - Jewellery and watches;
 - Items that contain gold or silver (this does not include items thinly covered with gold or silver); and
 - Collections of stamps, money or medals.
- Special valuable and personal items which are listed on your schedule as specified personal effects.

What are not personal effects

- Unset precious and semi-precious stones.
- Motor vehicles, motorcycles, caravans, trailers, aircraft or accessories or spare parts of any of these items.
- Watercraft more than four metres long.
- Watercraft less than four metres long that require registration under state or territory legislation.
- personal watercraft (e.g. jet skis).

When we will pay

Your personal effects are covered for accidental loss or accidental damage, provided that the accidental loss or accidental damage happens within Australia or New Zealand. You only have cover for accidental loss or accidental damage that happens outside of Australia and New Zealand if the loss or damage occurs within 90 consecutive days after you leave Australia.

When we will not pay

We will not pay if the accidental loss or accidental damage is caused by the following:

- Rust, corrosion, gradual deterioration, depreciation, wear or tear;
- A defect in the item;
- Rats, mice or insects;
- Processes of cleaning involving the use of chemicals other than domestic household chemicals; or
- Mechanical or electrical breakdown other than an electric motor burning out. We will pay for any resultant damage following mechanical or electrical breakdown.

Paying claims

How we pay a claim for personal effects

When accidental loss or accidental damage occurs to a personal effect, we will do one of the following:

- Replace the item with the nearest equivalent new item;
- Repair the item to the condition it was in when new; or
- Pay you the cost of replacement or repair.

We decide which one we will do (acting reasonably).

When a personal effect is part of a pair, set, system or collection, we will only pay the value of the item itself. The most we will pay is the value that the item has as a proportion of the combined pair, set, system or collection. We will only pay the cost of replacing the item even though the pair, set, system or collection to which it belongs is less valuable because it is incomplete.

We will reduce any payment for loss of, or damage to, an item under this section by the amount we pay you for the same item under your contents cover.

Limit for personal effects

The most we will pay for any one item, pair, set, collection or system for unspecified personal effects is the limit you have selected as shown on your schedule.

You can insure items, pairs, sets, collections or systems that are worth more than the above limits for their actual value as 'specified personal effects'.

To do this you must advise us and the items will be listed on your schedule. The most we will pay in total for all personal effects is the amount shown on your schedule.
