Your Duty of Disclosure is different, depending on whether this is a new Policy or not.

New business

Where You are entering into this Policy for the first time (that is, it is new business and is not being renewed, varied, extended or reinstated) You must tell Us everything You know and that a reasonable person in the circumstances could be expected to tell Us, in answer to the specific questions We ask.

When answering Our questions You must be honest.

You have this duty until We agree to insure You

Who needs to tell Us

It is important that You understand You are answering Our questions in this way for Yourself and anyone else whom You want to be covered by the Policy.

If You do not tell Us

If You do not answer Our questions in this way, We may reduce or refuse to pay a claim, or cancel the Policy.

If Your non-disclosure is fraudulent, We may refuse to pay a claim and treat the Policy as if it never existed.

Renewals, variations, extensions and reinstatements

Once Your Policy is entered into and is no longer new business then Your duty to Us changes. You are required before You renew, vary, extend or reinstate Your Policy, to tell Us everything You know and that a reasonable person in the circumstances could be expected to know, is a matter that is relevant to Our decision whether to insure You, and anyone else to be Insured under the Policy, and if so, on what terms.

You have this duty until We agree to renew Your Policy.

You do not have to tell Us about any matter

- that diminishes the risk
- that is of common knowledge
- that We know or should know in the ordinary course of Our business as an insurer, or
- which We indicate We do not want to know.

If You do not tell Us

This cooling-off right does not apply if You have made or are entitled to make a claim. Even after the cooling-off period ends, You still have cancellation rights however Your Financial Services Provider may deduct certain amounts from any refund for administration costs or any non-refundable taxes.

Providing proof

So that Your claim can be assessed quickly You should keep the following:

- Receipts or other confirmation of purchase, and
- valuations.

We may ask You for these if You make a claim. You must be able to prove to Us that You have suffered a loss that is covered by this Policy before We will pay You for it.

We may ask You for these if You make a claim.

Costs of dismantling, diagnosis and reassembly

In addition to the obligations contained in the Section 'Your duty to co-operate', where You make a claim for loss or Damage to Your Vessel, We may in some circumstances, require You to:

- dismantle Your Vessel; or
- authorise Us to dismantle Your Vessel, so We can assess Your claim to determine the relevant loss or Damage and/or decide if Your claim is valid

If You do not agree to this We may refuse to assess or pay Your claim.

Where We determine that the claimed loss or Damage to Your Vessel is:

- not covered by Your Policy, You will be responsible for the above dismantling costs as Well as any costs associated with the dismantling (including but not limited to any diagnosis, reassembly, repair and/or replacement costs).
- covered by Your Policy, We will settle Your claim in accordance with the terms and conditions of Your Policy.

Other party's interests

You must tell Us of the interests of all parties (e.g. financiers, owners, lessors) who will be covered under this Policy. We will protect their interests only if You have told Us about them and We have noted them on Your Policy Schedule.

How You can pay Your Premium

You can pay Your Premium;

1. in one payment by cheque, credit / debit card or bank transfer
2. by monthly instalments if this option is offered

Paying Your Premium

You must pay / arrange to pay Your Premium by the due date. If We do not receive Your Premium by this date or Your payment is dishonoured this Policy will not operate and there will be no cover.

Overdue Premium

You must pay Your Premium on time otherwise Your Policy may not operate.

If You have not paid by the due date or Your payment is dishonoured, this Policy will not operate and there will be no cover.

Preventing Our right of recovery

If You have agreed not to seek compensation from another person who is liable to compensate You for any loss, Damage or liability which is covered by this Policy, We will not cover You under this Policy for that loss, Damage or liability.

How Goods and Services Tax (GST) affects any payments We make

The amount of Premium payable by You for this Policy includes an amount on account of the GST on the Premium. When We pay a claim, Your GST status will determine the amount We pay.

When You are:

- a) not registered for GST, the amount We pay is the Sum Insured/Limit of Indemnity or the other limits of insurance cover including GST;
- b) registered for GST, We will pay the Sum Insured/Limit of Indemnity or the other limits of insurance and where You are liable to pay an amount for GST in respect of an acquisition relevant to Your claim (such as services to repair a Damaged item Insured under the Policy) We will pay for the GST amount.

We will reduce the GST amount We pay for by the amount of any input tax credits to which You are or would be entitled if You made a relevant acquisition. In these circumstances, the Input Tax Credit may be claimable through Your Business Activity Statement (BAS).

You must advise Us of Your correct Australian Business Number & Taxable Percentage. Any GST liability arising from Your incorrect advice is payable by You.

Where the settlement of Your claim is less than the Sum Insured/Limit of Indemnity or the other limits of insurance cover, We will only pay an amount for GST (less Your entitlement for Input Tax Credit) applicable to the settlement. This means that if these amounts are not sufficient to cover Your loss, We will only pay the GST relating to Our settlement of the claim.

We will (where relevant) pay You on Your claim by reference to the GST exclusive amount of any supply made by any business of Yours which is relevant to Your claim.

GST, Input Tax Credit (ITC), Business Activity Statement (BAS) and Acquisition have the same meaning as given to those expressions in A New Tax System (Goods and Services Tax) Act 1999 and related legislation as amended from time to time.

Taxable Percentage is Your entitlement to an Input Tax Credit on Your Premium as a percentage of the total GST on that Premium.

Taxation implications

There may be other taxation implications affecting You, depending upon Your own circumstances. We recommend that You seek independent professional advice.

When We take the option of repairing an item, the amount that We pay is limited by the actual value of the item being repaired compared with its age and condition.

- if any event happens that could mean You will make a claim and/or a claim may be made against You by another person, You must tell Us within 30 days of the event happening.

If You do not keep Us informed We may do the following:

- refuse to pay Your claim, or
- reduce the amount We pay You for Your claim under Your Policy, or
- cancel Your Policy.

If more than one person is insured by this Policy

Please remember if more than one person is insured by this Policy, an act, Omission, statement or claim by any one of the Insured people has the same effect as an act, Omission, statement or claim by all of those people.

Your duty to co-operate

In the event of a claim, any benefits that this Policy gives You depend on You giving Us full details of Your loss and any help that We require, including further written statements and documents We consider relevant. We may also require You to attend Court to give evidence.

You must help Us even after We have paid Your claim. We may attempt to recover the amount of Our payment from the person who caused You to suffer loss or Damage, or We may want to defend You if it is alleged that You caused loss or Damage to someone else.

You must send to Us immediately any letters, demands, notices or Court documents You receive relating to an Accident that resulted or could result in a claim.

Notices

Any notice We give You will be in writing, and it will be effective:

- if it is delivered to You personally, or
- if it is delivered or posted to Your address last known to Us.

We may agree to send Your Policy documents and Policy related communications electronically. This will be by email and/or other types of electronic communication methods. Policy documents and Policy communications will be provided to You in this way until You tell Us otherwise or We tell You it is no longer suitable. If We agree to communicate with You electronically, You will need to provide Us with Your current email address and Your Australian mobile phone number. Each electronic communication will be deemed to be received by You at the time it leaves Our information system. You may contact Us in writing or by phone to confirm any transactions under Your insurance if Your Financial Services Adviser does not already have the required Policy confirmation details.

It is important for You to tell Us of any change of address as soon as possible.

Purchase of a 'new' Vessel

If You replace the Vessel or any item shown in Your Policy Schedule and We agree to cover the replacement, the Policy covers it:

- from the time You bought it, and
- up to the same value as Your Agreed value, and
- no longer covers the old Vessel or item.

We will give You this cover for the 'new' or replacement vessel or item only if:

- You give Us written details of it within 14 days of buying it, and
- You pay Us any additional Premium that We ask for.

In giving You this cover, We will consider either the price You paid for the Hull, Motors, equipment and accessories, Sails, masts, spars, standing and running rigging and its Trailer, or Our valuation as the agreed sum insured of that item.

If You sell or give away Your Vessel

If You sell or otherwise give away Your Vessel or part-ownership in a Vessel and do not tell Us:

- the cover under this Policy ceases immediately without any notice to You from the time of sale or You otherwise give away Your Vessel.

When You tell Us that You no longer own the Vessel, We will:

- refund to You what is left of the Premium You paid by deducting an amount which covers the period for which You have been insured with Us.

If You are giving up an interest as lessor, mortgagee or owner under a hire purchase agreement, You do not have to tell Us.

Law & Practice

Any dispute arising from this Policy will be determined by the Courts, and in accordance with the laws of the State or Territory of Australia where Your Vessel is normally based or located.

Other insurance policies

If at the time of an Accident another Policy is in force covering the same risk, We will only pay the amount in excess of the amount that is recovered under those Policies, limited to the sum insured shown in Your Policy Schedule.
