Consumer Insurance Contract Opt in Notice

This insurance is a consumer insurance contract.

Your Duty to Take Reasonable Care Not to Make a Misrepresentation to Us

What is the duty?

All persons who will be an insured covered by the insurance (referred to as you, your) have a legal duty to take reasonable care not to make a misrepresentation to Us.

A misrepresentation includes a statement that is in any way false, misleading, dishonest or which does not fairly reflect the truth. e.g. a statement of fact that is not true, a statement of opinion that is not the subject of an honestly held belief or a statement of intent that never existed at the time provided.

We will not treat something as a misrepresentation merely because you failed to answer a question or gave an obviously incomplete or irrelevant answer to a question.

Answering our questions

Answers to our questions help us decide whether to provide you with insurance and if so, on what terms. The duty must be complied with when answering them.

When answering our questions:

- take reasonable care to make sure your answers are true, honest, up to date and complete in all respects. You may breach the duty if you answer without any care as to its truth or if you only guess or suspect the truth. If in doubt, pause the application and obtain the true facts before answering; and
- if another person is answering for you, we will treat their answers as yours. In such a case you should check the questions have been answered correctly on your behalf by them.

When does the duty apply until?

This duty applies until the time we agree to issue you with insurance for the first time. It also applies where you are applying to renew, extend, vary/change, replace or reinstate your insurance, up until the time we agree to this.

If you have made a statement and this changes before the end of the above relevant time you must tell us about this change before the time ends.

What happens if you breach the duty?

If you do not meet the duty, to the extent permitted by law, we may reject or not fully pay your claim. We may also, or as an alternative, cancel your insurance or if the misrepresentation was fraudulent, treat it as if it never existed.

A misrepresentation made knowingly by you without belief in its truth or recklessly without caring whether it is true or false can be fraudulent.

How we determine if there has been a breach?

A breach is determined having regard to all relevant circumstances.

Without limiting the above, the following matters may be taken into account in determining whether you have taken reasonable care not to make a misrepresentation:

- the type of this consumer insurance contract and its target market;
- explanatory material or publicity produced or authorised by us;
- how clear, and how specific, any questions asked by us were;
- how clearly we communicated to you the importance of answering those questions and the possible consequences of failing to do so;
- whether or not an agent was acting for you; and
- whether the contract was a new contract or was being renewed, extended, varied or reinstated.

We must also take account of any particular characteristics or circumstances about you which we were aware of, or ought reasonably to have been aware of.

If we believe the duty is breached, we will at least explain why, consider any response to the contrary and provide information on our dispute resolution procedures if we can't agree.

Need more help?

If any question or guidance provided is not clear or you need additional assistance, you can contact your agent/broker in the first instance and/or contact us or go to <https://www.longitudeinsurance.com.au/>

General Information

The General Information set out below is provided for your information only. It does not form part of the insurance contract with you, and is not part of the policy.

Nothing contained in the General Information imposes contractual obligations on you, or creates contractual rights. These are contained in the policy, schedule and any endorsement.

Claims Made

Some cover sections of the policy operate on a 'claims made and notified' basis. This means that the section covers you for claims as defined in the relevant section made against you and notified to us during the period of insurance.

These sections do not provide cover in relation to:

- acts, errors or omissions actually or allegedly committed prior to the retroactive date of the policy (if such a date is specified);
- claims made after the expiry of the period of insurance even though the event giving rise to the claim may have occurred during the period of insurance;
- claims notified or arising out of facts or circumstances notified (or which ought reasonably to have been notified) under any previous policy;
- claims made or threatened against, or made known to you prior to the commencement of the period of insurance;
- facts or circumstances of which you first became aware prior to the period of insurance, and which you knew or ought reasonably to have known had the potential to give rise to a claim under this policy section; or
- claims arising out of circumstances noted on the proposal form for the current period of insurance or on any previous proposal form.

Where you give notice in writing to us of any facts that might give rise to a claim against you as soon as reasonably practicable after you become aware of those facts but before the expiry of the period of insurance, and provided the claim would otherwise be covered under the policy, you have rights under Section 40(3) of the Insurance Contracts Act 1984 (Cth) to be indemnified in respect of any claim subsequently made against you arising from those facts notwithstanding that the claim is made after the expiry of the period of insurance. Any such rights arise under the legislation only. The terms of the policy section and the effect of the policy section is that you are not covered for claims made against you after the expiry of the period of insurance.

Please note that the above may be affected by any provisions, where applicable, which may extend time for notification of a claim as defined.

Cooling Off Period

You have the right to cancel and return Your Policy or a Section of the Policy by notifying Us in writing within 21 days of the date it was issued to You ("cooling off period") provided You have not exercised any right or power under the Policy (e.g. made any claim) and these rights and powers have not ended within the cooling off period.

If You cancel Your Policy or a Section of the Policy during the cooling off period, We will return the applicable amount of premium You have paid. We may deduct any reasonable administrative and transaction costs incurred by Us that are reasonably related to the acquisition and termination of the Policy and any Government taxes or duties We cannot recover, from any refund amount.

In addition, if You vary Your Policy during the Period of Insurance to add a Section, You have the right to cancel that Section within 21 days of the date it was added by notifying Us in writing ("additional cooling off period") provided You have not exercised any right or power under that Section (e.g. made any claim) and these rights and powers have not ended within the additional cooling off period.

If You cancel the added Section during the additional cooling off period, We will return the amount You have paid for that Section. We may deduct any reasonable administrative and transaction costs incurred by Us that are reasonably related to the acquisition and termination of the Policy and any Government taxes or duties We cannot recover, from any refund amount.

To cancel Your Policy at other times, please see the General Conditions.

Full Insurance – Cover Your Assets

If You have elected to insure Your Building and Common Contents for reinstatement and replacement costs, the Sum Insured should represent the full replacement value on a new for old basis and if this is not done You may not be covered for Your loss in full.

It is Your responsibility to ensure the adequacy of Sums Insured and You should re-evaluate these Sums Insured during the currency of the Policy and prior to renewal each year.

About Your Premium

The premium is the amount You pay Us for the insurance. The premium payable will be provided to You before You agree to enter into a Policy with Us and will also be shown on Your Policy Schedule. Premiums are subject to applicable Commonwealth and state taxes and charges. These can include GST, Emergency Services Levy, and stamp duty. The amount of these taxes and charges will be shown on Your Policy Schedule.

If You change Your Policy during the Period of Insurance You may be entitled to a partial refund of premium or be required to pay an additional premium. We will advise You of this at the time of any variation if applicable.

There are a number of factors which impact generally on Your premium.

These are:

- a) Sum Insured: The lower the Sum Insured, the lower the premium,
- b) Postcode: Some postcodes pose a higher risk than others based on our data,
- c) The cover You choose: If You chose a number of Sections and add options to Your Policy, the premium will be higher,
- d) Claims experience: If You have had claims in the past, this may increase Your premium,
- e) Excess: A higher excess amount may reduce Your premium,
- f) Our cost of doing business including payments We make to intermediaries: If Our costs are higher this may make Your premium higher,
- g) Building materials: If Your building is made up of more fire resistant materials (e.g. concrete), the premium will be lower,
- h) Fire protection: If You have a functional, compliant sprinkler system, the premium will be lower,
- i) Security: If You have a good security system, the premium will be lower,
- j) Management: How Your property is managed and maintained in accordance with statutory obligations and good business practices will affect Your premium.

Excess

When You make a claim, You will be required to pay one or more Excesses including any Contribution applicable under Section 7 Cover C unless We tell You otherwise. The description of these Excesses or Contribution and the circumstances in which they are applied are set out in this PDS or the Policy Schedule.

The amount of the Excess(es) applying to each Section including any Contribution applicable under Section 7 Cover C will be advised to You before You agree to enter into a Policy with Us and will be set out in the PDS or the Policy Schedule.

If more than one Excess is payable under the Policy for any claim or series of claims arising from the one event or occurrence, the Excesses will not be cumulative and the highest single level of Excess only will apply unless specified in the Policy Schedule.

Preventing Our Rights of Recovery

If You have agreed not to seek compensation from another person or entity who is liable to compensate You for any loss, damage or liability which is covered by the Policy We will not cover You under the Policy for that loss, damage or liability, except in the following circumstances:

- We will waive any rights and remedies or relief to which We are or may become entitled by subrogation against:
 - any co-insured (including its directors, officers and employees);
 - any corporation or entity (including its directors, officers and employees) owned or controlled by any Insured or against any co-owner of the property insured.
- You may without prejudicing Your position under the Policy:
 - release any statutory governmental, semi-governmental or municipal authority from any liability if required by any contract to do so;
 - agree to enter into a contract for storage of goods or merchandise if the terms of the contract include a disclaimer clause that holds You harmless for physical loss or destruction of or damage to Insured Property or Personal Injury arising out of the storage;
 - agree to enter into a lease for occupancy of any building or part of a building or a lease or hiring of property where the terms of the lease or hiring include a disclaimer clause in favour of the lessor or the owner that holds You harmless for physical loss or destruction or damage to Insured Property or Personal Injury arising out of the lease or hire arrangements.

Financial Claims Scheme

Chubb is authorised under the Insurance Act to carry on general insurance business in Australia by the Australian Prudential Regulation Authority (APRA) and are subject to the prudential requirements of the Insurance Act.

The Insurance Act is designed to ensure that, under all reasonable circumstances, financial promises made by the Insurer are met within a stable, efficient and competitive financial system.

Because of this the Insurer is exempted from the requirement to meet the compensation arrangements Australian financial services licensees must have in place to compensate retail clients for loss or damage suffered because of breaches by the licensee or its representatives of Chapter 7 of the Corporations Act 2001 (Cth). The Insurer has compensation arrangements in place that are in accordance with the Insurance Act.

In the unlikely event that any of the Insurer was to become insolvent and were unable to meet their obligations under the Policy, a person entitled to claim may be entitled to payment under the Financial Claims Scheme. Access to the Scheme is subject to eligibility criteria. Please refer to <https://www.fcs.gov.au> for more information.

When We Can Refuse to Pay or Reduce the Amount We Pay Under a Claim

We may refuse to pay or reduce the amount We pay under a claim to the extent permitted by law. The situations in which We may refuse to pay or reduce the amount We pay under a claim under the Policy include (but are not limited to):

- a) when You apply for cover (this includes new business, variations and renewals) and You have made a misrepresentation in breach of the duty to take reasonable care not to make a misrepresentation to us under the Insurance Contracts Act 1984 (Cth) (Refer to the “Your duty to take reasonable care not to make a misrepresentation to us” notice on page 3 for details); or
- b) if You do not comply with or meet a term or condition (including where an exclusion applies or other limitation) of the Policy (All referred to as “Terms” when used below) – See “If you do not comply with or meet any Policy Term” below for more detail;
- c) if You make a fraudulent claim – See “Fraudulent claims” below;
- d) where You have not or are not acting in accordance with Your duty of utmost good faith under the Insurance Contracts Act 1984 (Cth) – See “Duty of Utmost Good faith” below.

The amount of any claim entitlement can also be affected and/or reduced by any limits (including any time limits) or Excess(es) that apply. The Policy sets out the relevant limits and Excess(es) and when they apply to a claim.

If You do not comply with or meet any policy term

We will only rely on any rights We have regarding the operation of or breach of a Term of the Policy to the extent permitted by law (including Our right to refuse or reduce a claim noted above). You need to seek Your own advice regarding all relevant legal rights You may have.

Terms allowing Us to refuse to pay or reduce a claim (in whole or part) by reason of an act by You or some other person that occurred after the policy was entered into

Subject to Our rights in relation to Fraudulent claims explained below, by reason of section 54 of the Insurance Contracts Act (1984) (Cth), where the effect of the Policy (this includes all terms or conditions, including any exclusion or other limitation) is to allow Us to refuse to pay or reduce a claim (in whole or part) by reason of an act by You or some other person that occurred after the policy was entered into, We will exercise Our rights under the Policy as explained below (Refer to the Insurance Contracts Act 1984 (Cth) for full details).

Under section 54, an "act" by You or some other person includes an omission and inaction and an act or omission that has the effect of altering the state or condition of the subject-matter of the Policy or of allowing the state or condition of that subject-matter to alter.

How We exercise Our rights where section 54 applies (unless there is a Fraudulent claim)

- Where:
 - the act was necessary to protect the safety of a person or to preserve property;
 - it was not reasonably possible for You or the other person not to do the act; or
 - You prove no part of the loss that gave rise to the claim was caused by the act,

We will not refuse to pay or reduce the claim by reason only of that act.

- Where the act:
 - could not reasonably be regarded as being capable of causing or contributing to a loss in respect of which insurance cover is provided by the Policy; or
 - could reasonably be regarded as being capable of causing or contributing to a loss in respect of which insurance cover is provided by the Policy but You prove that some part of the loss that gave rise to the claim was not caused by the act, We may not refuse to pay the claim, so far as it concerns that part of the loss but,

We can reduce our liability in respect of the claim by an amount that fairly represents the extent to which Our interests were prejudiced as a result of that act.

- Where the act could reasonably be regarded as being capable of causing or contributing to a loss in respect of which insurance cover is provided by the Policy, We may refuse to pay the claim.

Terms allowing us to refuse or reduce a claim because of pre-existing defects or imperfections existing before the policy was entered into

Only where section 46 of the Insurance Contracts Act 1984 (Cth) is applicable to the Policy:

- where a claim is made in respect of a loss that occurred as a result, in whole or in part, of a defect or imperfection in a thing and at the time when the contract was entered into; and
- You were not aware of, and a reasonable person in the circumstances could not be expected to have been aware of, the defect or imperfection,

We may not rely on any provision included in the Policy that has the effect of limiting or excluding Our liability under the contract by reference to the condition, at a time before the Policy was entered into, of the thing. This does not apply if the Policy is in an excluded class to which section 46 does not apply (Refer to the Insurance Contracts Act 1984 (Cth) for full details).

Terms allowing Us to refuse or reduce a claim because of a pre-existing sickness or disability existing before the policy was entered into

Only where section 47 of the Insurance Contracts Act 1984 (Cth) is applicable to the Policy:

- where a claim under the Policy is made in respect of a loss that occurred as a result, in whole or in part, of a sickness or disability to which a person was subject or had at any time been subject; and
- where, at the time when the contract was entered into, You were not aware of, and a reasonable person in the circumstances could not be expected to have been aware of, the sickness or disability,

we may not rely on a provision included in the Policy that has the effect of limiting or excluding Our liability under the Policy by reference to the sickness or disability to which You were subject at a time before the Policy was entered into (Refer to the Insurance Contracts Act 1984 (Cth) for full details).

Fraudulent Claims

In all cases, where a claim is made fraudulently under:

- the Policy; or
- the Insurance Contracts Act against Us by a person who is not the insured,

We may refuse payment of the claim to the extent permitted by law. Under section 56(2) of the Insurance Contracts Act 1984 (Cth) a court may, if only a minimal or insignificant part of the claim is made fraudulently and non-payment of the remainder of the claim would be harsh and unfair, order Us to pay, in relation to the claim, such amount (if any) as is just and equitable in the circumstances (Refer to the Insurance Contracts Act 1984 (Cth) for full details).

Duty of Utmost Good Faith

- Section 13 of the Insurance Contracts Act 1984 (Cth) requires each party to the Policy to act towards the other party, in respect of any matter arising under or in relation to it, with the utmost good faith.
- Section 14 of the Insurance Contracts Act 1984 (Cth) provides that if reliance by a party to the Policy on a provision of the Policy would be to fail to act with the utmost good faith, the party may not rely on the provision.

(Refer to the Insurance Contracts Act 1984 (Cth) for full details)

Terms Subject to Relevant Law

A term of the Policy will be applied to the extent it is not unenforceable under relevant law.

Our Agreement

When We agree to insure You We issue a Policy Schedule confirming cover.

The information contained in the Policy Schedule sets out information specific to You such as the cover We have agreed to provide and the Sums Insured and Limits of Liability that apply to the Policy.

Your Policy with Us will comprise of this PDS (including the Policy wording), the Policy Schedule and any endorsements We issue. They should be read together and kept in a safe place.

Where We have agreed to enter into a Policy with You and subject to the terms, conditions and exclusions of the Policy:

- We agree to provide You with the insurance cover set out in each of the Sections which are shown as “Insured” in the Policy Schedule, subject to Your payment of or agreement to pay Us the premium set out in the Policy Schedule,
- the Policy is in force for the Period of Insurance set out in the Policy Schedule, unless it ends earlier in accordance with its terms or at law,

- We will cover You for the relevant insured loss, damage, liability or claim happening during that Period of Insurance, and
- We will not pay any more than the Sum Insured or Limit of Liability for each Section which is shown in the Policy Schedule or as provided in the PDS, subject to any Excesses or Contribution.

How the Goods and Services Tax (GST) Affects the Insurance

In addition to the premium, We will charge You an amount on account of GST.

You must inform Us of the extent to which You are entitled to an input tax credit for Your premium and claim each time that You make a claim under the Policy. No payment will be made to You for any GST liability that You may have on the settlement of a claim if You do not inform Us of your entitlement or correct entitlement to an input tax credit.

GST has an impact on the way in which claim payments are calculated under the Policy. We will calculate the amount of any payment We make to You having regard to Your GST status.

If You are not registered for GST and the Sum Insured, Limit of Liability or other Policy limit is not sufficient to cover Your loss, We will pay an amount equivalent to the GST in addition to the Sum Insured, Limit of Liability or other Policy limit.

If You are registered for GST and We have arranged services directly with the service provider or repairer, We will pay up to the relevant Sum Insured, Limit of Liability or other Policy limit inclusive of the GST.

In all other circumstances Our liability to You will be calculated taking into account any input tax credit to which You are entitled for any acquisition which is relevant to Your claim, or which You would have been entitled were You to have made a relevant acquisition.

If the Sum Insured, Limit of Liability or other Policy limit is not sufficient to cover Your loss, We will only pay GST (less any relevant input tax credit) that relates to Our proportion of Your loss.

This outline of the effect of the GST on the Policy is for general information only. You should not rely on this information without first seeking expert advice on the application of the GST to Your particular circumstances.

‘GST’, ‘input tax credit’, ‘acquisition’ and ‘supply’ have the meaning given in A New Tax System (Goods and Services Tax) Act 1999 (Cth) and related or similar legislation, including any amendments to, delegated legislation thereof, or successor legislation (as applicable).

If a motor in a sealed unit cannot be repaired or replaced because of the unit's inability to use a different type of refrigerant gas as required by regulation, or parts are no longer available, then We will only pay the cost of an equivalent or nearly equivalent new appliance that is substantially the same as, but not better or more extensive than, the unit taking into account its age, condition, depreciation and remaining useful life at the time of the physical loss, damage or destruction.

6.3 Loss Prevention Expenses

We will pay:

- a) costs and expenses (which include wages of Your employees) incurred in extinguishing a fire at the Location(s), or in the vicinity of the Location(s) in the Period of Insurance and threatening to involve Your Insured Property, including damage to gain access or damage to materials (including employees' clothing and personal effects unless otherwise specifically insured) and the cost of replenishment of firefighting appliances, replacing used sprinkler heads and resetting fire, smoke and security alarm systems;

- b) up to \$2,000 during any one Period of Insurance for the unauthorised use of metered electricity, gas, oil, water or other utilities by the unauthorised occupants.

We may reduce or refuse to pay a claim under this Additional Benefit if You or the Lot Owner have not taken reasonable steps to prevent or terminate any unauthorised occupancy including by way of regular monitoring and inspection of the Insured Property or Lot.

6.6 Damage by Emergency Services

We will pay the reasonable costs of repair to or reinstatement of Your Insured Property physically lost, destroyed or damaged by Police, Fire Brigade, Ambulance or other lawfully constituted emergency services in the course of their duty in the Period of Insurance.

6.7 Capital Additions

We will increase the Sum Insured by the total value of additions, alterations and improvements to Your Insured Property during the Period of Insurance but only on completion of the additions, alterations or improvements and provided You notify Us within 60 days of the completion, or as soon as practicable thereafter.

For any increase in excess of \$500,000, You must pay any additional premium that applies.

6.8 Purchaser's Interest

If a purchaser has signed an agreement to buy Your Lot, Stratum Lot or Volumetric Lot then, pursuant to Section 1, We will cover a purchaser's legal interest in Your Lot, Stratum Lot or Volumetric Lot under that agreement, until that agreement completes or is terminated.

7. Optional Covers

The following Optional Covers are only covered when stated in the Policy Schedule as included.

7.1 Internal Paint and Wallpaper Within Lot Owners' Lots

Where the Strata Act excludes paint and wallpaper within Lot Owners' Lots from the definition of Building, and this Optional Cover is specified in Your Policy Schedule as included, We will cover paint and wallpaper as if they were Building.

Section 1 Exclusion 3.1a) does not apply to this Optional Cover.

7.2 Lot Owner's Floating Floorboards

Where You have included this Optional Cover, and it is specified in Your Policy Schedule as included, We will cover Lot Owner's Floating Floorboards as if they were part of the Buildings.

Section 1 Exclusion 3.1a) does not apply to this Optional Cover.

7.3 Flood

Where You have included this Optional Cover, and it is specified in Your Policy Schedule as included, We will cover You for physical loss or destruction or damage to Insured Property caused by Flood.

The most We will pay under this Optional Cover in the Period of Insurance is the Limit of Liability for Flood set out in the Policy Schedule.

Exclusion 3.2c) does not apply to this Optional Cover.

7.4 Market Value

Where You have included this Optional Cover, and it is specified in Your Policy Schedule as included, We will cover You or the Lot Owner for the difference between the reinstatement and replacement value of the Buildings and the Market Value where:

- a) Your Sum Insured for this Section 1 has been exhausted, and
- b) reinstatement of the damage is limited or restricted by:
 - i) any Act of Parliament or regulation under it; or
 - ii) any by-law or regulation of any municipal or other statutory authority.

The total amount that We will pay for this Optional Cover is the difference between the Market Value of Your Buildings or individual Lots and the total Sum Insured for Buildings under this Section 1 but limited to:

- a) an amount equal to 20% of the Sum Insured; or
 - b) with respect to an individual Lot, the proportional value, as represented by unit entitlements, of an amount equal to 20% of the Sum Insured, whichever is the lesser;
- or
- c) the amount or amounts specified as the Market Value in Your Policy Schedule.

For the purpose of this Optional Cover only, the following additional definition applies:

- **Market Value** means the price the Buildings or Lot would sell in an open real estate market at the time of the physical loss, destruction or damage as determined by a licenced real estate valuer or other competent authority mutually agreed to by You and Us.

We will settle claims under this Optional Cover directly with You or any Lot Owner, as applicable.

8. Basis of Settlement of Claims

Unless otherwise shown in the Policy Schedule, claims will be settled on the basis of Reinstatement or Replacement and Extra Costs, as follows.

8.1 Reinstatement or Replacement

Means:

- a) where Your Insured Property is physically lost or destroyed, in the case of Buildings, the rebuilding of it, or in the case of Insured Property other than Buildings, the replacement of it, by similar property, in either case in a condition equal to but not better or more extensive than its condition when new.
- b) where Your Insured Property is damaged, the repair of the damage and the restoration of the damaged portion of Your Insured Property to a condition substantially the same as but not better or more extensive than its condition when new.

Claims for the cost of reinstating or replacing Your Insured Property physically lost, destroyed or damaged are subject to the following provisions:

- i) the work of rebuilding, or replacement, or repairing as the case may be (which may be carried out upon another site and in any manner suitable to Your requirements but subject to Our liability not being increased), must be commenced and carried out as soon as practicable, failing which We may be entitled to reduce or refuse a claim to the extent that We are prejudiced by any delay.
- ii) when any Insured Property to which this clause applies is physically lost, destroyed or damaged in part only, We will not pay more than the Sum Insured.
- iii) if you are unable to rebuild any Buildings destroyed You may purchase alternative Buildings to replace those destroyed. This replacement will be deemed to constitute reinstatement for the purpose of this insurance but We will not under any circumstances be liable to make any payment beyond the cost that would have been incurred in rebuilding the Building destroyed.
- iv) We will pay Common Contents up to a maximum of 1% of the Sum Insured or any other amount shown in the Policy Schedule whichever is the greater.

8.2 Extra Cost

We will also pay the extra cost of reinstatement including demolition or dismantling of Your Insured Property necessarily incurred to comply with the requirements, operative at the time of reinstatement, of:

- a) any Act of Parliament or regulation made under it; or
- b) any by-law or regulation of any municipal or other statutory authority, provided in either case that:
 - i) the work of reinstatement (which may be carried out wholly or partially upon another site if the Act, by-law or regulation so necessitates and subject to Our liability not being increased) must be commenced and carried out as soon as practicable, failing which We may be entitled to reduce or refuse a claim to the extent that We are prejudiced by any delay; and

- ii) the amount recoverable will not include the additional cost incurred in complying with any Act, by-law or regulation which You had been required to comply with prior to the happening of the physical loss, destruction or damage.

8.3 Earthquake

You have to pay or contribute the greater of the Excess specified in Your Policy Schedule or the first \$1,000 in respect of loss, destruction or damage caused by or arising from earthquake, subterranean fire or volcanic eruption occurring during any one period of seventy-two (72) consecutive hours.

8.4 Undamaged Foundations

When Your Insured Property is physically lost, destroyed or damaged and due to the exercising of statutory powers or delegated legislation or authority by any government department, local government or other statutory authority, reinstatement of Your Insured Property is carried out upon another site or sites, We will pay for the value of any undamaged part of Your Insured Property, including foundations and footings, as if it had been destroyed. If the presence of the undamaged parts increases the sale value of the original site, then the increase will be regarded as salvage and will be payable to Us under the Policy.

All differences relating to the amount of any increase in site value will be referred to the decision of two registered valuers, one to be appointed by each of the parties to the Policy. If the two valuers fail to agree, their differences will be referred to the decision of a third valuer, nominated by the Chair of the Australian Property Institute (in the same state or territory as the Insured Property) as an expert, whose decision will be binding. The cost of the third valuer is to be shared equally by the parties.

8.5 Floor Space Ratio Index (Plot Ratio)

Where Buildings are damaged and reinstatement of the damage is limited or restricted by:

- a) any Act of Parliament or regulation under it; or
- b) any by-law or regulation of any municipal or other statutory authority,
 - resulting in either case in the reduction of the floor space ratio index (plot ratio) of the site, then We will pay in addition to any amount payable on reinstatement of the Buildings the difference between:
 - i) the actual costs incurred in reinstatement subject to the reduced floor space ratio index (plot ratio); and
 - ii) the estimated cost of reinstatement at the time of damage had the reduced floor space ratio index (plot ratio) not applied.

8.6 Replacement with Similar Property

We will try to match any material used to repair or replace Your Insured Property with the original materials. If We cannot, We will use the nearest equivalent available to the original materials.

Where the architectural features and structural materials of the Buildings possess a particularly ornamental, antiquarian or historical character, or the materials used in its construction are not readily available, the cost of reinstatement will be the cost of reinstating or replacing similar buildings of current design and materials and of reasonably equivalent utility and capacity.

8.7 Undamaged Insured Property

Except as otherwise provided below, where Your Insured Property is physically lost, destroyed or damaged in part only, and We have agreed to pay Your claim, We will only pay for the part or parts of the Insured Property that actually sustained damage. We do not pay to replace any undamaged Insured Property.

Where it is not possible to replace the damaged Insured Property with the same or similar materials that reasonably match the undamaged part or parts to a similar extent as immediately prior to the physical loss, destruction, or damage occurring, and the amount of the damaged Insured Property that cannot be matched to the undamaged Insured Property is more than fifty percent (50%) of the total part or parts that would have to be replaced if all the matching damaged and undamaged Insured Property was replaced, then We will replace both the damaged and undamaged Insured Property subject to the following conditions:

- a) We will not repair or replace any undamaged Insured Property if the reason is solely due to colour matching which has resulted from normal aging, wear and tear, or fading.
- b) where You have included the Optional Cover, Lot Owner’s Floating Floorboards We will not pay to replace undamaged Lot Owner’s Floating Floorboards unless it is impossible to source the same interlocking system as it is no longer available. In this instance We may also agree to increase the percentage of undamaged Floating Floorboards that We will replace but always subject to iv).
- c) where We have agreed to replace undamaged parts of kitchen cabinets, cupboards or benchtops We will limit the replacement of undamaged parts to those parts continuously joined to the damaged parts, that are made of the same materials, and are on the same level.
- d) We will only replace undamaged Insured Property up to the Room Area Boundary.

For the purposes of this clause **Room Area Boundary** means the nearest walls, nearest doorway, archway, or similar opening width, or where there is a change in the floor or wall covering. If there is a combined lounge-dining room and there is a shared doorway, archway or similar opening which is wider than 82cm and the floor or wall coverings are the same in both rooms then We will consider this to be the one Room Area Boundary.

9. Conditions Applying to this Section

9.1 Automatic Reinstatement of Sum Insured

If We are liable for a claim (other than a total loss) under this Section 1, We will reinstate the Sum Insured to the amount shown in Your Policy Schedule at the time of the physical loss, destruction or damage in the following manner:

- a) for all claims for less than 5% of the Sum Insured, We will reinstate each Sum Insured for each claim at no additional premium;
- b) for any claims for more than 5% of the Sum Insured, We may ask You to pay any additional premium that applies.

9.2 Claims Preparation Fees

We will pay in addition to the Sum Insured up to \$50,000 or any higher amount shown in the Policy Schedule for professional fees and other expenses for preparation of claims that You reasonably and necessarily incur with Our consent, such consent not to be unreasonable withheld, and which are not otherwise recoverable under the Policy.

10. Claims Examples

The following examples are designed to illustrate how a claim payment might typically be calculated. The examples do not cover all scenarios or all benefits and do not form part of the Policy terms and conditions. They are a guide only.

Example 1

Your Building has a Sum Insured of \$650,000. You are not registered for GST. Your Excess is \$500. There is a fire that starts from a heater in one of the units. The fire destroys the Building and We assess that it is a total loss. We assess the cost to rebuild is \$750,000 including GST, and have an Input Tax Credit Entitlement of 100%.

Your Sum Insured is not enough to cover the cost to rebuild. Accordingly, We will settle up to the Building Sum Insured.

How Much We Pay:

Building Sum Insured:	= \$650,000
GST:	= \$65,000
Less Excess:	= \$500
Total claim:	= \$714,500

Please note that if You are entitled to any Additional Benefits "A" they will be covered within the Building Sum Insured, any Additional Benefits "B" will be covered in addition to the Building Sum Insured, and Additional Benefits "C" will be covered where applicable.

Example 2

Your Building has a Sum Insured of \$800,000. You are registered for GST, and have an Input Tax Credit Entitlement of 100%.

A leaking pipe in the Building causes damage to the ceiling in one of the units. We assess repairing the damage to the ceiling will cost \$4,400 including GST. The cost to repair the leaking pipe is \$440 including GST.

Your Excess is \$500.

How Much We Pay:

Cost of ceiling repairs including GST:	=	\$4,400
GST:	=	\$400
Cost of ceiling repairs less GST:	=	\$4,000
Cost to repair the pipes including GST:	=	\$440
GST:	=	\$40
Cost to repair the pipes less GST:	=	\$400
Cost of ceiling repairs less GST:	=	\$4,000
Cost to repair the pipes less GST:	=	\$400
Less Excess:	=	\$500
Total claim:	=	\$3,900

Please note that if You are entitled to any Additional Benefits "A" they will be covered within the Building Sum Insured, any Additional Benefits "B" will be covered in addition to the Building Sum Insured, and Additional Benefits "C" will be covered where applicable.

Example 3

Your Building has a Sum Insured of \$1,000,000. You are registered for GST.

A tropical cyclone damages Your Building. The cost to repair is \$550,000 including GST. The Building has 10 Lots, and five Lots are damaged.

Your Policy has a peril Excess of \$1,000 per Lot, which applies regardless of the number of Lots damaged. As the number of Lots in the Building is 10, a \$10,000 peril Excess for each and every Event applies.

How Much We Pay:

Cost of repairs including GST:	=	\$550,000
GST:	=	\$50,000
Cost of repairs less GST:	=	\$500,000
Peril Excess:	10 Lots x \$1,000	= \$10,000
Total claim:	=	\$490,000

Please note that if You are entitled to any Additional Benefits "A" they will be covered within the Building Sum Insured, any Additional Benefits "B" will be covered in addition to the Building Sum Insured, and Additional Benefits "C" will be covered where applicable.

6. Excess Applying to this Cover C

6.1 Excess

We will reduce the amount We pay for each Claim by the amount of the Excess shown in the Policy Schedule.

6.2 Contribution

In addition to the Excess applicable to Cover C of this Section 7, You are also required to pay a Contribution for each Claim. The Contribution applies to any amount left after the Excess has been deducted from the amount of Your Claim.

The following are examples of how a Contribution may affect a Claim under this Section 7.

Claim Example 1

Claim for breach of Competition and Consumer Act 2010 (Cth) (First Claim in the Period of Insurance).

Limit of Liability	\$50,000
Excess	\$5,000
Contribution percentage	20%
Legal Expenses incurred	\$60,000
Legal Expenses net of Excess is (\$60,000 less \$5,000 Excess).	\$55,000
Your Contribution is (20% of \$55,000).	\$11,000
Your payment is (\$5,000 Excess plus \$11,000 Contribution).	\$16,000
Our payment is (\$55,000 less \$11,000).	\$44,000

Therefore, the balance of the Limit of Liability is \$6,000 for any subsequent Legal Expenses Claims in the same Period of Insurance.

Claim Example 2

Claim for breach of Competition and Consumer Act 2010 (Cth) second loss in the same Period of Insurance as claim example one above.

Legal Expenses incurred	\$20,000
Excess	\$5,000
Contribution percentage	20%
Legal Expenses net of Excess is (\$20,000 less \$5,000 Excess).	\$15,000
Your Contribution is (20% of \$15,000).	\$3,000
Your payment is (\$5,000 Excess plus \$3,000 Contribution).	\$8,000
Our payment is	\$6,000

which is the remaining Limit of Liability available after payment of the first claim above. This means You are also liable to pay an additional \$6,000 toward this claim).

Therefore, as the Limit of Liability is exhausted You will have no cover available for Legal Expenses in connection with any subsequent Claims made or brought against You in the same Period of Insurance.

You must obtain Our written consent to the appeal, such consent not to be unreasonably withheld, if You want us to cover any of those Legal Expenses under this Cover C.

If You or We are dissatisfied with any decision made by a court or tribunal and wish to appeal that decision We will seek Your co-operation in the bringing of such an appeal based upon potential success from the appointed legal advisor.

4. Changes to the Policy

No change to the Policy will be valid unless We agree in writing nor will the requirements of any Section be deemed to be waived unless We agree in writing.

5. Transfer of Interest

No interest in this Policy can be transferred without Our written consent, not to be unreasonably withheld.

6. Jurisdiction

The Policy will be governed in accordance with the laws of the Commonwealth of Australia. Any disputes arising out of the Policy will be subject to determination by any Court of jurisdiction within the State or Territory in which the Policy was issued and according to the laws applicable to that jurisdiction.

7. Joint Insureds

Where You comprise more than one party each of the parties will be considered as a separate and distinct unit and the words You and Your will be considered as applying to each party in the same manner as if a separate Policy had been issued to each of them.

Nothing in this Condition will result in an increase of Our liability in respect of any occurrence or Period of Insurance.

8. Notices

You must as soon as practicable give to Us notice in writing of:

- a) every occurrence, claim, writ, summons, proceeding, impending prosecution, and inquest together with all relevant information accessible to You which may result in a claim under the Policy, whether or not You believe any claim amount might fall below the applicable Excess; and

Any notice given in writing by Us to the first named Insured shown in the Policy Schedule will be treated as notice to each of the parties You comprise. Any action or legal proceeding will be commenced in Your name. You must provide Us with all information accessible to You and reasonable assistance in the recovery of Your loss, including providing Us with any documents that prove Your Loss.

You must not commence any proceedings, enter into any agreement, make any admissions or take any action or step that has the effect of limiting or excluding Your rights and Our rights to recover Your loss without first obtaining Our approval in writing to do so, such consent not to be unreasonably withheld.

10. Inspection of Property and Records

We may inspect Your property and operations, with Your mutual agreement, at any reasonable time:

- a) to conduct a risk survey or in the event of a claim; and
- b) examine and audit Your books and records at any time during the Period of Insurance and within 3 years after expiry of the Period of Insurance but that examination and audit will be restricted to matters involving any claim under the Policy.

11. Acts or Failures to Act of Your Body Corporate Manager

We will not deny liability for a claim, or reduce the amount of a claim, if Our right of denial or reduction is solely caused by an act, error or failure to act of Your Body Corporate Manager while acting on Your behalf.
