Changes to your PDS

Your PDS is amended by the following:

Change 1 – Cost of this insurance

Your PDS is amended by inserting the following new paragraph in the 'Cost of this insurance' section commencing on page 10, immediately before the first sentence 'Other costs associated with your Policy are listed in the table below' on page 12:

Your premium, including any discounts you may be eligible for, are subject to minimum premiums. **We** consider the minimum amount **we** are prepared to sell the **Policy** for and may adjust **your premium** to ensure it does not fall below the minimum amount. Any discounts will be applied to **your Policy**, only to the extent any minimum **premium** is not reached. This means that any discount **you** may be eligible for may be reduced. When **we** determine **your premium** on renewal, we may also limit any increases or decreases in **your premium** by considering factors such as **your** previous year's **premium** amount.

Change 2 – Replacement of the 'Complaints procedure' section

Your PDS is amended by deleting all of the terms in the 'Complaints procedure' section commencing on page 13, and replacing those deleted terms with the following new terms:

Answering our questions

When answering **our** questions, **you** must answer for yourself and for any other person who will be insured under this **policy**. **You** must tell **us** about everyone who will drive **your** car on a regular basis. **You** must also give **us** complete and accurate information to allow **us** to decide whether to insure **you** and the terms on which **we** will insure **you**. If **you** do not do so, **we** may be entitled to reduce or deny any claim that **you** make, or even to cancel **your** policy.

The course of action **we** take when **you** fail to give **us** complete and accurate information will be considered in each circumstance based on what impact or effect **your** failure to comply caused or contributed to the claim or **our** decision to issue **your** Policy.

Applying for cover

When **you** apply for this insurance, **you** will need to complete an application. **We** will use and rely on the information supplied by **you** to decide the terms of cover **we** will provide. **We** provide cover to **you** on the terms contained in this document and the schedule that **we** issue to you.

The schedule will contain important information relevant to **your** insurance including the **period of insurance**, **your** premium, details of **your** insured vehicle, the excesses that will apply to **you** and others and whether any standard terms have been varied by way of endorsement.

All of these documents make up **your** Policy with **us**. **You** need to keep these documents in a safe place together with receipts and other evidence of ownership and value of items **you** insure.

Before expiry **we** will send **you** a renewal notice which tells **you** whether **we** will renew and on what terms. The renewal notice will tell **you** what is required.

Making a claim

Section Six tells **you** what **you** need to do. Before **we** pay any claim, **we** require evidence as to the extent of loss or damage and ownership. Please ensure that where possible, **you** keep any photographs, other documentation, or damaged property in respect of loss or damage to make the process as easy as possible.

Services provided by Lumley Special Vehicles and our General Advice Warning

We are an Australian Financial Services Licensee (No. 227681) and are authorised under **our** licence to deal in and provide general advice on this insurance.

Any advice **we** or **our** representatives provide is general only and does not take into account **your** personal objectives, financial situation or needs. Because of this **you** should, before acting on the advice, decide if it is right for **you** and consider the information contained in this document carefully.

Our employees are paid an annual salary and possibly bonuses on achievement of company goals. They are not otherwise remunerated for any advice or dealing service that they provide to **you** unless they tell **you** otherwise.

Cover options

The two levels of cover to choose from are as follows:

OPTION	DESCRIPTION OF COVER
Comprehensive	<ul style="list-style-type: none">• Loss or damage to your vehicle.• Your legal liability to other people.
Third Party liability	<ul style="list-style-type: none">• Your legal liability to other people.

How to pay your premium

If **you** pay **your** premium in instalments, the total premium is higher than if **you** pay one annual premium.

When **you** take out insurance, **you** need to pay **your** annual premium or any instalments by the due date specified on **your schedule**. An instalment is unpaid if it cannot be deducted from **your** nominated account or credit card. If **your** premium is overdue, **we** will send **you** a notice outlining the overdue amount and when it needs to be paid.

If **your** premium remains unpaid after the time period specified in the notice **we** send, **we** will:

- cancel **your Policy** for non-payment; and
- refuse to pay any claim for an incident occurring after the cancellation date.

If **you** pay by instalment, **we** will send **you** a second notice either before cancellation informing **you** of the effective date of cancellation, or within 14 days after cancellation confirming the effective date of cancellation.

If **you** need to make a claim when **your Policy** is overdue, and before **your Policy** has been cancelled for non-payment, **we** will require **you** to pay the overdue amount as part of the claim settlement process. Alternatively, where the settlement method allows, **we** can reduce the settlement payment by the overdue amount.

Benefits

In view of the range of vehicles that **we** will insure, the benefits available under this **Policy** vary and have limitations according to the cover type, **your vehicle** type and **your vehicle** use. Please read this **Policy** carefully. Some of the key benefits are:

Applicable to Comprehensive cover only

Following an insured event:

- Emergency repairs following an **accident**;
- New **vehicle** replacement following **total loss**;
- **Rental car costs** following theft;
- **Accidental** damage to personal effects;
- Emergency accommodation;
- Completion of journey costs;
- Theft of keys and re-coding costs;
- Choice of licensed repairer;
- Agreed Value **sum insured**;
- Theft or damage to a trailer;
- Off-road cover for Four Wheel Drives;
- Choice of licensed repairer;
- Reasonable towing costs following an insured event; and
- First option to purchase the salvage following **your vehicle** being declared a **total loss**.

Applicable to all covers, subject to vehicle use

- Using a substitute vehicle;
- Cleaning up costs after an **accident**; and
- Maritime law liability during sea transportation.

Optional extras and Policy variations

- Where **Comprehensive** cover is chosen, the following optional extras may be available at extra cost:
- Salvage rights if **your vehicle** is a **total loss**;
- Penalty-free windscreen and side/rear window glass cover;
- Lifetime maximum no claim bonus rating protection;
- **Rental car costs** following an **accident**;
- **Driver** restrictions for a reduced **premium**;
- Spare parts cover;
- Cover for **your mobile phone** and/or **GPS unit**; and
- Finance loss protection.

What is not covered

This **Policy** does not cover all eventualities. What is not covered can vary according to the type of cover **you** have selected. What is covered and what is not covered are detailed in this **Policy**. It is important that **you** read this document to ensure that **you** are fully aware of the **policy** coverage.

Some of the main exclusions of cover are:

- when **your vehicle** is left unattended and stolen and a required **immobiliser** or **security device** is non-operational;
- if **your vehicle** is **regularly parked** on a **street** overnight in the vicinity of where **your vehicle** is usually kept;
- if a required immobiliser or security device has not been fitted or properly maintained and **your vehicle** is stolen, and the lack of fitting or maintenance caused or contributed to the loss;
- if **your vehicle** is being used or driven by a person who is not authorised by **us** to use or drive **your vehicle**;
- if **you** have limited car club use or similar registration and **you** do not use **your vehicle** in accordance with the registration permit and/or requirements;
- if **your vehicle** is being driven by someone affected by drugs or alcohol;
- if **you** have not told **us** of all **driver** details including driving history of persons to be covered under this **Policy**; and
- **we** also may cancel **your Policy** in certain circumstances permitted by law.

Before applying any of these exclusions **we** will consider whether or not the relevant exclusion caused or contributed to **your** loss.

If **you** do not adequately insure yourself, **you** may have to bear the uninsured proportion of any loss or liability yourself. For example, if the insurance does not cover the full replacement cost of an insured item, in the event of a **total loss**, **you** would have to bear any shortfall.

We only cover **your** interest in the insured **vehicle** unless **we** specifically include cover for the interest of a third party.

We may also refuse to pay or reduce the amount **we** pay under a claim in certain circumstances. In particular:

- if **you** do not comply with the terms and conditions of this insurance;
- if **you** make a fraudulent claim.

We will consider the individual circumstances that have led to **your** loss and consider if any of the terms and conditions apply, and if they do it may mean **we** will reduce **your** claim or reject **your** claim.

We also may cancel **your Policy** in certain circumstances permitted by law, for example, if **you** fail to comply with a condition.

Significant risks

It is very important that **you** disclose full details of the **vehicle** to be insured and any of its **drivers**. If **you** have not disclosed something, **you** may have to pay an increased **premium** or **excess** or **we** may be entitled to refuse to pay a claim. It can also have consequences on **your** future cover. For the same reasons, it is also important that **you** comply with the terms and conditions of this **Policy**.

Your vehicle's value

You can choose to cover **your vehicle** for an agreed amount. **We** will pay **you** up to this amount if **you** suffer a covered loss.

You need to make sure that **you** are happy with the extent of cover provided by this **Policy**. If not, **you** may not get the cover **you** require.

We only provide cover up to the amounts and limits specified in **your Policy** and subject to its other terms, conditions and exclusions. All amounts insured include **GST**.

Refer to each Cover Section for details on how **we** settle any valid claim.

Excesses

An **excess** may apply when **you** make a claim. An **excess** is the part of a claim **you** must contribute for each occurrence covered by this **Policy**. An occurrence is one or a series of events arising out of one cause.

If an **excess** applies when **you** make a claim **we** will:

- deduct the **excess** from any claim payment, or
- request **you** pay the **excess** to **us** or, to the repairer or supplier.

If **we** request **you** pay the **excess**, **we** will tell **you** who to pay and may require payment as part of the finalisation of **your** claim.

The type and amount of **excess** is shown in this document and the **schedule**. The **excess** can depend on a number of factors associated with the risk including the type and value of the **vehicle**, the age and experience of the **driver**, and the particular accessories attached to the **vehicle**. In most cases the standard **excess** will be between \$200 and \$1,000.

You can elect to increase **your excess** and **we** will reduce the **premium** **we** charge.

In some cases, **we** will waive the requirement for **you** to pay an **excess**. This applies if **you** have an **accident** which damages or destroys the vehicle and **we** are satisfied that the **accident** was the fault of another party. To qualify for this **you** will need to give **us** the vehicle details along with the name and address of the owner and driver, or party responsible.

To determine that **you** or **your** driver was not at fault for the collision **we** may request additional information – for example witness statements or photographs – and consider any laws, bylaws or rules that apply to the claim circumstances.

Cost of this insurance

The insurance provided is subject to **your** payment or agreement to pay the **premium** **we** require by the agreed time. In order to calculate **your** **premium**, **we** take various factors into consideration, including:

- the type of **your vehicle**;
- the value of **your vehicle**;
- how frequently **your vehicle** is used;
- the type of cover requested;

- where **you** live;
- **your** age;
- **your** driving history;
- **your** insurance and claims history; and
- any **Policy** variations **you** chose.

Your premium also includes amounts that take into account **our** actual or estimated obligation to pay compulsory government charges, taxes or levies (for example, Stamp Duty, **GST** and any Fire Services Levy where applicable) in relation to **your Policy**. **We** will tell **you** when **you** apply what **premium** is payable, when it needs to be paid and how it can be paid.

In calculating **your premium we** may also consider any No Claim Bonus (NCB) Rating **you** have had with a previous insurer (provided **you** can supply proof of the NCB Rating that was held).

We give **you** a No Claim Bonus discount on **your Comprehensive** insurance premium to reward **you** for a good claims history.

Your current policy schedule will show any No Claim Bonus and any benefits that apply to **your policy**.

We calculate your No Claim Bonus level based on:

- **your** claims history; and
- number of years **you** have been driving for.

No Claim Bonus is calculated on each policy, unless **your** claims history does not entitle **you** to a No Claim Bonus. Each year at renewal, **your policy's** No Claim Bonus is re-calculated.

You move up one No Claim Bonus level after each claim free year until **you** reach **our** maximum Rating 1. Being claim free rewards **you** with **our** highest level of Rating 1 and gives **you** the ability to pay to add Lifetime No Claim Bonus Rating Protection option.

If **you** make an at-fault claim, **your** No Claim Bonus will be reduced by one level per claim when **you** renew **your policy**, unless **your** No Claim Bonus is protected.

Section Five - General conditions (When we may refuse to pay a claim)

If **you** do not comply with these conditions, **we** may refuse to pay **your** claim in full or in part, but only if the failure to comply with the relevant condition caused or contributed to the loss, damage or liability.

Renewal

At expiry of the **Policy**, **we** may offer to enter into a new contract for a new **period of insurance**. Any renewal notice **we** send **you** will indicate the **premium** payable for the new contract and any proposed alteration/s to the contract. Before the **Policy** is renewed it is **your** duty, by law, to disclose to **us** any matter which has altered the risk **we** insure. This may affect **our** decision to issue **you** a new policy. If **we** cancel **your Policy**, **we** will advise **you** in writing and all cover will cease at the earlier of the following times:

- when another contract of insurance is taken out by **you** to replace **your Policy**;
- at 4.00pm Local Standard Time of the third business day after the day on which notice was given to **you** or such later time as **we** may specify in the notice.

Return premium after cancellation

After cancellation and subject to **your** cooling off period rights (see PDS Section), **we** will keep the **premium** for the period that **your Policy** was in force. **Your** cover under the **Policy** then ceases. **We** will refund the unexpired portion of **your premium**, after deducting a cancellation fee of 10%, with the minimum charge being \$20.

You must notify the Police as soon as possible in respect of theft of, or malicious damage to, **your vehicle**.

If **your vehicle** is involved in an **accident**, **you** must also notify the Police:

- if damage to property, other than the **vehicles** involved, exceeds \$500;
- if any **vehicle** involved requires towing;
- if any person was injured.

Tell us as soon as possible

You must advise **our** office by telephone or in writing as soon as reasonably practicable after **you** suffer a loss, and arrange to complete **our** claim form which **we** will send to **you**, **you** can download from **our** website, or may also be obtainable from **your** repairer.

If **you** do not make a claim within a reasonable time after the loss, **we** may reduce what **we** pay to **you** to allow for any disadvantage **we** may have suffered because of the delay.

Broken window glass

When claiming for broken window glass, please call **us** before authorising repairs. If this is not possible, **our** preferred repairer is Windscreens O'Brien – Telephone 13 16 16.

- Arrange for a new window or repairs to be done;
- Pay the account and keep the receipt;
- Obtain a claim form from **us** or send **us** a letter with the repair account;
- If an **excess** is applicable **we** will deduct it from the amount **we** pay **you**.

Obtain a quote from choice of repairer

You have choice of licensed repairer, and must obtain a written quotation from them. **Your** completed claim form should be left with **your** repairer. They should then contact **us** to arrange for an inspection by **our** assessor.

Authorising repairs

You must not repair or replace any damaged property without **our** consent. Before repairs are started **you** must obtain **our** written agreement. If **you** have **Comprehensive** cover, **you** may authorise temporary and/or essential repairs up to a maximum of \$750.

The amount that **we** pay will be based on **GST** inclusive costs. However, if **you** are, or would be, entitled to claim any input tax credits for the repair or replacement of **your car**, **we** will reduce any claim under the insurance by the amount of the input tax credits.

Finance difference

If **your vehicle** is a **total loss** and **you** have an instalment, sale or leasing agreement with a financier, and the amount owing under that agreement will not be discharged by the claim payment, **you** must pay the difference owing to the financier prior to **us** settling **your** claim.

Co-operate and assist us

You must co-operate and assist **us** and provide **us** with all the information that **we** require including, but not limited to, valuations, receipts, proof of ownership, driving history print-outs and statutory declarations if requested.

We will only ask for information that is relevant to **your** claim and **we** will provide an explanation as to why it is required.

Section Six - Claims (What we will do)

We have the following responsibilities if **you** have an **accident** or make a claim under **Policy**.

Excess

We will reduce the amount **we** pay **you** following a covered loss by the **excess**.

However, if **you** have an **accident** which damages or destroys **your vehicle** and **you** can satisfy **us** that the **accident** was the fault of another party and **you** can give **us** the name and address of the owner and driver or party responsible then **you** will not have to pay the **excess**.

To determine that **you** or **your** driver was not at fault for the **accident** **we** may request additional information – for example witness statements or photographs – and consider any laws, bylaws or rules that apply to the claim circumstances.

There are five types of **excesses** that may apply in the event of a claim. These **excesses** are in addition to any other **excess** shown in **your schedule** that may be imposed on **you**.

They are as follows:

Standard excess

The standard **excess** applies to all claims made under this **Policy** and is shown in **your schedule**. The standard **excess** of each item shall apply cumulatively to each item insured under this **Policy**, if damaged in the same **accident**.

Driver age excess

Applies when a driver, at the time of an **accident**, is under the age of 25 and **we** have agreed to pay the claim. This **excess** is additional to the standard **excess**. Unless higher amounts are shown in **your schedule** the following age **excesses** will apply:

- was under 22 years of age - \$1,000
- was aged 22 to 24 years of age - \$750

Driver inexperience excess

Applies when a **driver**, at the time of an **accident**, has held an Australian driver or motorcycle rider licence (whichever is applicable and excluding a Learner Permit) for less than 3 years. This **excess** is additional to the standard **excess**. Unless a higher amount is shown in **your schedule**, this **excess** is \$500.

Special imposed excess

Applies because of certain specified risk features of this insurance. This **excess** is additional to the standard **excess** for the risk features **specified** under this heading in **your schedule**.

Theft and attempted theft excess

Applies if **your schedule** states **you** were required to fit to **your vehicle**, an **immobiliser** that complies with Australian Standards 4601:1999 or another **security device** and, at the time of theft or attempted theft, one was not fitted or was not in working order. This **excess** is additional to the standard **excess**. Unless a higher amount is shown in **your schedule**, this **excess** is \$1,000.

No Claim Bonus (NCB) Rating

Your NCB Rating is not affected if:

- **you** have a lifetime maximum NCB Rating;
- if the **driver of your vehicle** at the time of the **accident** did not, in **our** opinion, contribute to the cause of the **accident**, however, **you** must give **us** the name and address of the owner and driver or party responsible.

Deciding who is at fault

We will decide whether or not **you** contributed to the cause of an **accident**. To decide if **you** were not at fault for the **accident** **we** may request additional information – for example witness statements or photographs – and consider any laws, bylaws or rules that apply to the claim circumstances.

Vehicle salvage

If **your vehicle** becomes a **total loss** and is insured for **Comprehensive** cover, the wreck of **your vehicle** will, at **our** option, become **our** property and **we** will keep the proceeds of any salvage sale. This does not apply if **you** are entitled to salvage rights, and **your vehicle** was not stolen.

Unavailable spare parts

If any part is not available in Australia 90 days after the date of **your** damaged **vehicle** being assessed by **us**, **we** may immediately settle **your** claim. **We** will pay for the cost to otherwise repair **your vehicle**, plus the **reasonable parts cost** for the unavailable parts.

Other insurance

You must notify **us** in writing if **you** have already effected, or if in the future **you** effect, any insurance or insurances which covers any matter covered by **your Policy**, in whole or in part.

To the extent permitted by law, when other insurance applies to a covered loss, **we** will pay only in excess of the other insurance, limited to the indemnity being provided under **your Policy**, unless that other insurance was specifically written to be excess over the indemnity provided in **your Policy**.

Our rights of recovery

We have the right to exercise **your** legal rights to conduct, defend or settle any legal or recovery action that **we** consider necessary and to do so in **your** name. If **we** recover more than the amount **we** have paid to **you** or on **your** behalf, **we** will pay **you** the balance.
