If your broker arranged annual policy is not paid to us by the required time, we will notify your broker and cancel the policy.

Late instalments for policies sold through a broker

This is a Supplementary Product Disclosure Statement (SPDS) issued by AAI Limited ABN 48 005 297 807 AFSL No. 230859 (AAI Limited). This SPDS was prepared on 18 May 2022.

This SPDS supplements the CIL Secure™ Caravan Insurance Product Disclosure Statement prepared on 3 December 2020, and must be read together with the relevant PDS that you hold and any other SPDS we have given you or may give you for your PDS.

The purpose of this SPDS is to:

- update information about how we will pay claims under the Additional covers 'After claim expenses', 'Tools and spare parts', 'Included contents cover', 'Veterinary expenses', 'Horsefloat hire cover' and the Optional cover 'Increased contents cover';
- update information about how we will settle claims under 'How your contents claim is settled' and 'For additional covers and optional covers';
- update the definition of 'Assessed quote';
- amend the 'Summary of cover' table named 'Optional covers (these are covers that you pay extra for)'; and
- update 'Example 3 - Partial loss' in 'How we settle claims - some examples'.

CHANGES TO THE PDS

1. Under the heading 'Included contents cover' on page 43 and the heading 'Increased contents cover' on page 48, add under the 'We cover' section:

See 'How your contents claim is settled' on page 54 for how we settle claims under this cover.

2. On pages 54 and 55 delete the 'How your contents claim is settled' section and the "For additional covers and optional covers' section and replace it with:

How your contents claim is settled

If your claim for loss, theft or damage to your contents is covered under your policy we will only settle the claim by paying you. This means that we will not repair or replace or arrange for a service.

When we settle contents claims, this is subject to any applicable deductions and we will not pay you more than the relevant amount insured or policy limit.

We will pay you by cheque or direct deposit into your bank account, or if available, you can choose to be paid with a voucher, store credit or stored value card.

To work out this amount we will review the quote(s) you have provided, to repair or replace the damaged contents, and assess those quote(s) to make sure that each quote is appropriate and reasonable for the scope of services or goods. This includes a consideration of the appropriateness of materials, repair method, labour and material costs and overall cost assessed to repair the contents to the same condition, standard and specification they were in immediately before the incident took place, or to replace the contents to the same or similar standard and specification.

For additional covers and optional covers

If we pay a claim under an additional cover or optional cover, we will settle your claim in accordance with that additional cover or optional cover. For the additional covers 'After claim expenses' (see page 39), 'Tools and spare parts' (see page 41), 'Included contents cover' (see page 43), 'Veterinary expenses' (see page 45), 'Horsefloat hire cover' (see page 46) and the optional cover 'Increased contents cover' (see page 48) we will only settle the claim by paying you. This means that we will not repair or replace or arrange for a service.

If we settle your claim by paying you, we will pay you by cheque or direct deposit into your bank account, or if available, you can choose to be paid with a voucher, store credit or stored value card.

3. On page 76 under the heading 'Words with special meanings' delete the following words from the definition of 'Assessed quote':

'or for contents, from our preferred repairer (unless they cannot repair or replace the contents'.

4. On page 5 in the 'Summary of cover' table for 'Optional covers (these are covers that you pay extra for)' there is a change to 'Hire use cover'. Delete the table under 'Optional covers (these are covers that you pay extra for)' and insert the following:

Key information about CIL Secure™ Caravan Insurance

Type of Insurance

This policy provides comprehensive cover for loss or damage to your caravan.

We offer two types of cover - Australia wide cover and On-site only cover. The cover you have chosen will be shown on your schedule.

Note: You can also insure a camper trailer, 5th wheeler, slide on, trailer, horsefloat or tiny house on wheels. In this case, your caravan means the camper trailer, 5th wheeler, slide on, trailer, horsefloat or tiny house on wheels shown on your schedule.

What we cover

Accidental loss or damage to your caravan caused by an incident during the period of insurance. Examples of incidents include, hail, storm (including cyclone), fire, theft and collision.

We also cover your legal liability to pay compensation for death or bodily injury to other people, or loss or damage to their property caused by the use of your caravan.

Exclusion for new policies

We do not insure you for bushfire, storm, flood or tsunami in the first **72** hours of your policy. Very limited exceptions apply. For full details see page 25 in section 3 'Things we don't cover'.

What we pay

The most we will pay for any one incident is the amount insured for your caravan as shown on your schedule, unless we say otherwise in your policy.

We will also pay:

- up to **\$20 million** for all claims from any one incident for legal liability covered by this policy including all associated legal costs;
- up to the limits outlined under the relevant Additional and Optional covers.

This is a summary only. Like all policies, there are conditions, limits and exclusions that apply so you need to read your policy for full details.

Additional covers that come with your policy

There are some additional covers that come with your policy for no extra cost. See section 5 'Additional covers that come with your policy' on page 37 for more information.

Optional covers you can pay extra for

There are some optional covers that you have to pay extra for. If an optional cover applies to your policy it is shown on your schedule. See section 6 'Optional covers you can pay extra for' on page 47 for more information. Optional covers are not available if you insure a trailer or horsefloat.

Summary of cover

What we cover depends on the type of cover you have chosen and whether you are insuring a caravan, camper trailer, 5th wheeler, slide on, trailer, horsefloat or tiny house on wheels. Read your policy for full details.

Limits, conditions and exclusions apply. Please read your PDS for full details.

What to do

We understand that experiencing loss or damage or having a claim made against you can be stressful

Here's what to do:

Step 1

Make sure everyone is safe.
For emergencies, call 000.

Step 2

Try to prevent further loss, damage or liability (e.g. move your caravan off the road and put on your hazard lights).

Step 3

Report the incident to the police.

If someone is injured or has stolen, attempted to steal or maliciously damaged your caravan, call the police as soon as possible and record the time, date, report number and the name of the recording officer.

Step 4

Where possible, collect details of all drivers, passengers and witnesses including their full names, addresses and contact numbers. If another vehicle is involved, record its registration number and the driver's name and address. Do not admit fault to anyone.

Step 5

Contact us as soon as possible by calling 1800 112 481 or online.

You will need to arrange a quote for repairs. If you cannot tow your caravan, you need to arrange for towing to your nearest repairer where a quote can be prepared.

When you contact us, describe details of the incident to assist with lodging your claim. If the damage was caused by another person, provide us their name and address and their vehicle's registration number.

IMPORTANT THINGS TO KNOW UPFRONT

Before we get into the specifics of your policy there are important things to know upfront. This includes:

- information about your contract with us;
- information about your cooling off period;
- your responsibilities and when you need to contact us; and
- information about the excesses that apply to your claim.

Our agreement with you

If you buy this product from us, your contract of insurance is made up of your schedule, this PDS and any SPDS that we have given you.

Cooling off period

You can contact us to return the policy within **30** days from the start date of your policy (including on renewal).

This is called the cooling off period. As long as you have not made a claim during this period, we will refund in full the money you paid for your policy (including GST if applicable), but you will not have any cover under the policy.

Alternatively, you can cancel your policy at any time while you are insured. When you do this, unless we tell you otherwise, you will have cover up until the date and time of cancellation. For more information see 'What happens with cancellations' on page 70.

There are limits to what we will pay and some things we don't cover

Like every insurance policy, there are exclusions, conditions and limits that apply to your policy. There are some things we don't cover whatever the circumstances, these are found in section 3 'Things we don't cover' on pages 23 to 32. There are also specific things we don't cover explained in sections 4 to 6 on pages 33 to 50 which are particular to the cover provided under your policy.

In this PDS we use  and  icons to help describe what's covered and what's not covered.

Extra Support

Sometimes your circumstances might mean you need additional support or assistance in dealing with us. This could be due to your physical or mental health, family or financial situation or cultural background. If you are comfortable, you can tell us about your situation and we will work with you to arrange support.

Your responsibilities

- take steps to prevent loss or damage, for example:
 - for a registered caravan, move your caravan away from rising flood waters;
 - when the caravan is not attached to a vehicle, fit a coupling lock and secure the wheels;
 - when the caravan is attached to an unattended vehicle, keep that vehicle locked;
 - lock all doors and windows when your caravan is unattended;
 - do not leave contents in an unsecured annexe;
 - for a registered caravan, keep your caravan in a safe and roadworthy condition (e.g. replace worn out tyres, worn out brakes and defective lights). See section 3 'Things we don't cover' on pages 23 to 32 for exclusions that may apply;
 - keep your caravan structurally sound, watertight, secure and well maintained (e.g. maintain seals, fix leaks, remove mould, repair paint problems, major rust, corrosion, cracking and blistering, repair major scratches or dents, fix mechanical and electrical problems);
- follow all the terms, conditions and responsibilities set out in your policy;
- provide honest and complete information for any claim, statement or document supplied to us;
- do not behave in a way that is abusive, dangerous, hostile, improper or threatening when engaging with us and our service providers.

Not meeting your responsibilities

Your policy may not provide cover if you have not met your responsibilities and it may lead us to reduce or refuse to pay your claim and/or cancel your policy.

When you need to contact us

During the period of insurance you must tell us as soon as possible if:

- you or anyone who is likely to tow your caravan has their driver licence cancelled, suspended, disqualified or restricted;
- you or any person who is likely to tow your caravan has been charged with or convicted of, a criminal act or offence;
- you have had another insurer cancel or decline an insurance policy, impose specific conditions on a policy or refuse a claim;
- any details on your schedule are no longer accurate and complete, including but not limited to your caravan (see page 18) or the address where you keep your caravan;

When you need to contact us cont.

- the disclosed drivers who tow your caravan change;
- there are any changes to the physical condition of your caravan;
- you plan to, or have, added accessories or modifications to your caravan (see page 18);
- you no longer plan to use your caravan for private use only (see 'Private use' page 80).

If you have not told us about any of the above matters having occurred in any other period of insurance when you held this policy with us, you must also tell us as soon as possible.

What we will do when you contact us

When you tell us about any of the above matters an additional excess, additional premium or special condition may be applied to your policy. In some cases, it may lead us to reduce or refuse to pay a claim or it may mean we can no longer insure you and we will cancel your policy.

If you do not contact us

If you do not contact us when you need to you may not be covered under your policy and it may lead us to reduce or refuse to pay a claim and/or cancel your policy.

How to contact us

Call us on 1800 112 481.

If your contact details change

You must keep your contact details, including your Australian mobile number, postal address and email address up to date. If we do not have up to date contact details you might not receive your important policy documents which could impact whether you have cover in place.

When you replace your caravan

If you replace your caravan with another caravan, we will insure the replacement caravan, up to its market value on the same terms and for the same type of cover as the replaced caravan as if a reference to 'your caravan' in this PDS is to your replacement caravan.

Cover is provided from the date you bought the replacement caravan until you contact us to insure your replacement caravan, up to a maximum of **14** days.

We do not provide any cover under this policy for a replacement caravan outside the cover stated in this section 'When you replace your caravan'.

Special conditions

We may apply special conditions on your policy that might exclude, restrict or extend cover. For example, we may require additional security because of the high value of your caravan or because your on-site caravan is going to be unoccupied. Any imposed conditions will be listed on your schedule. It is important that you read your schedule carefully.

What is the No Claim Bonus?

A No Claim Bonus (NCB) is a discount off your premium as a reward for your good insurance history. On each renewal, your discount will increase provided you haven't made any claims that affect your NCB. If you are eligible your NCB will keep increasing until you reach the maximum discount level. Your NCB is shown on your schedule.

Refer to the Secure™ Caravan Insurance Additional Information Guide for more information about discounts.

Excesses that apply to your claim

What is an excess?

An excess is the amount you pay towards the cost of your claim for each incident covered by your policy. The total excess you are required to pay is determined by the circumstances of your claim. You might have to pay more than one type of excess. The amount and types of excesses are shown on your schedule.

The different types of excesses are:

Excess Type	
Basic excess	This excess applies to all claims unless your policy states no excess applies to your claim.
Transportation excess	This excess applies if the 'transporting your caravan' option is shown in your schedule and where your caravan is being transported by road (excluding where your caravan is being towed), rail or sea at the time of the incident. This excess is in addition to all other excesses that apply.
Age excess (drivers of towing vehicle aged 16-20 years old)	This excess applies if a driver aged 16 to 20 years old was towing, using or in charge of your caravan at the time of the incident. This excess also applies to learner drivers aged 16 to 20 years old. This excess is in addition to all other excesses that apply.
Age excess (drivers of towing vehicle aged 21-24 years old)	This excess applies if a driver aged 21 to 24 years old was towing, using or in charge of your caravan at the time of the incident. This excess also applies to learner drivers aged 21 to 24 years old. This excess is in addition to all other excesses that apply.
Hire use excess	This excess increases the basic excess if you have the 'Hire use cover' option shown on your schedule. The total basic excess is shown on your schedule.
Underwriting excess	This excess may be imposed based on a driver's history, the claims history or type of caravan. If an underwriting excess applies to your policy it will be shown on your schedule. This excess is in addition to all other excesses that apply.
Off-road excess	This excess applies when your caravan is damaged whilst being towed on any beach or any dirt or unsealed road. This excess is in addition to all other excesses that apply.

Excess Type	
Inexperienced driver excess	<p>This excess applies if an inexperienced driver was towing, using or in charge of your caravan at the time of the incident. This excess is in addition to all other excesses that apply.</p> <p>Note: An inexperienced driver is someone who is 25 years or over and has not held a driver licence specific to the vehicle type that is towing the caravan for at least the past 2 consecutive years prior to the incident. It includes learner drivers 25 years or over.</p>

For example: if your caravan has been damaged in two separate incidents, then you have to make **2** claims and pay the excesses that apply for each claim. If two separate sides of your caravan are damaged in the same incident, you make **1** claim and pay the excesses in relation to **1** claim only.

Refer to the Secure™ Caravan Insurance Additional Information Guide for more information about excesses.

How to pay your excess

You can choose from the following options to pay your excess(es):

- you can pay the excess(es) directly to us before we finalise your claim;
- the excess(es) can be deducted from the amount we pay you under your claim (if any);
- in some instances, the excess(es) can be paid to the appointed repairer or supplier; or
- in some instances, the excess(es) can be deducted from the amount we pay to another person for loss or damage to their property.

We will not cover any legal or other costs that arise because of any delay in paying the excess.

When your excess will be waived

You pay the excess but if:

1	+	2	+	3	=	
You or the driver towing your caravan didn't cause the accident (this means the other driver was entirely at-fault). You may be able to show this by providing a police report, expert reports, a statement from a witness or photographs.		You supply the at-fault driver's name and address		You supply the at-fault vehicle's registration number		You don't pay an excess

If 1, 2 and 3 are there, you don't pay an excess. If ANY are missing, you will need to pay an excess.

Note: If you cannot supply the at-fault driver's name, address and vehicle registration number it means we will not be able to waive your excess. It does not otherwise impact the cover under your policy or your ability to make a claim.

MAKING A CLAIM

We want to be there for you in your times of need. In this section we set out how we help you when you make a claim and important information about:

- what you must and must not do;
- how to establish your loss;
- how we settle claims;
- what happens after we pay your claim.

Making a claim

What you must do

- talk to or meet with any experts we choose, such as a claims assessor, investigator or repairer;
- assist us in handling your claim. This can include agreeing to be interviewed and/or providing relevant documents we ask for (e.g. proof of ownership);
- allow us to inspect the damaged caravan, annexe and/or contents;
- if your caravan, annexe and/or contents are a total loss, allow us or a person nominated by us, to recover, salvage or take possession of your caravan, annexe or contents;
- for rectification work, take your caravan back to the original repairer to rectify the repairs.

In this 'Making a claim' section 'you' means you and, if you were not using or residing in your caravan, the person that was using or residing in your caravan.

What you must not do

- do not admit liability or responsibility to anyone or pay for any damage or any injury before contacting us;
- do not negotiate, pay or settle a claim with anyone else before contacting us;
- do not carry out or authorise any repairs without our consent, except for emergency repairs described on page 39;
- do not dispose of any damaged parts of your caravan, annexe or contents without our consent, unless it is necessary for health and safety reasons;
- do not wash, clean or remove debris from any area damaged by fire without our consent unless you need to do this to prevent further loss;
- do not accept payment from someone who admits fault for loss or damage to your caravan, contents or annexe. Refer them to us instead.

If you do not comply

If you do not comply with 'What you must do' and 'What you must not do', we can reduce or refuse your claim and/or recover from you any costs and/or any monies we have paid and/or cancel your policy.

If you have caused bodily injury, death or damage to other people's property

Tell us about any incident that has caused bodily injury, death or damage to other people's property.

You must also tell us as soon as possible about any demands made on you to pay compensation to others and any court actions or offers of settlement and send these to us. The quicker we receive these, the better placed we will be to protect your interests. If you do not tell us about any demands or forward any documentation from a third party it could result in further costs. You will need to pay any further costs incurred as a result of your delay in forwarding documents or failing to tell us about demands you have received.

If we decline a claim or do not pay a claim in full

When you contact us to make a claim we will assess your claim and we may need to undertake further investigation. If we decline your claim we will give you our reasons in writing.

How to establish your loss

Establish an incident took place

When making a claim you must be able to prove that an incident covered by your policy actually took place. If you do not do this, we will not be able to pay your claim.

We may obtain the following from the police:

- confirmation that you reported the incident;
- details of any investigations they undertook.

You must give us authority to access these records, if we ask.

Prove your loss or damage

You must also give us accurate and full details of the loss or damage and give us reasonable proof of value and ownership, if we ask.

Proof includes things like registration papers, sales receipts, service records, valuations, warranties or credit card statements. A statutory declaration is not of itself considered acceptable evidence of proof of ownership and value. If you are unable to substantiate your claim, we can reduce or refuse your claim.

How we settle your claim

How your caravan claim is settled

If your claim for loss, theft or damage to your caravan is covered under your policy we will either:

- ask you to obtain a quote from your repairer to repair or replace the damaged parts of your caravan and authorise repairs for the amount of the assessed quote from your repairer;

How your caravan claim is settled cont.

- pay you the amount of the assessed quote from your repairer to repair or replace the damaged parts of your caravan if you request a cash settlement or we don't authorise repairs; or
- settle your claim as a total loss, see page 58 for how we settle your claim as a total loss.

How your annexe claim is settled

When your annexe is less than 5 years old

If your claim for loss, theft or damage to your annexe is covered under your policy we will either:

- ask you to obtain a quote from your repairer to repair or replace the damaged parts of your annexe to the same condition, standard and specification as immediately before the incident took place and authorise repairs for the amount of the assessed quote from your repairer;
- pay you the amount of the assessed quote from your repairer to repair or replace the damaged parts of your annexe to the same condition, standard and specification as immediately before the incident took place if you request a cash settlement or we don't authorise repairs; or
- settle your claim as a total loss.

When your annexe is more than 5 years old

If your annexe is more than **5** years old and cannot be economically repaired, we will pay you the amount of the assessed quote from your repairer to replace the annexe as depreciated. Any depreciation we may apply is based on the age and condition of the annexe at the time of loss or damage.

How your contents claim is settled

If your claim for loss, theft or damage to your contents is covered under your policy we will either:

- repair to the same condition, standard and specification the contents were in immediately before the incident took place;
- replace the item to the same or similar standard and specification (it can be a different brand);
- pay you the amount of the assessed quote from our preferred repairer if our preferred repairer can complete the repair or replace the damaged content item but you request a cash settlement;
- pay you the amount of the assessed quote from your repairer if we are unable to carry out repairs or replace the damaged contents;
- settle your claim as a total loss.

When we settle contents claims, we will not pay more than the relevant amount insured shown on your schedule or fixed limit (see page 20).

We may offer you a voucher, store credit or stored value card for this amount.

For additional covers and optional covers

If we pay a claim under an additional cover or optional cover, we will also settle your claim in accordance with that additional cover or optional cover.

For legal liability claims

You must provide us with assistance to help us when we take action in your name to defend a claim against you from the third party who alleges that you have caused bodily injury, death or damage to their property. This assistance may include:

- providing a more detailed version of events including completing a diagram of what occurred and a statement/affidavit;
- providing copies of any photographs or video of the accident available;
- lodging a police report;
- attending court (only if required).

For important information about how we settle claims see 'How we settle claims - some examples' on page 61.

If your caravan or annexe is damaged

Choice of repairer

You can choose your own repairer.

Assessing the damage and repairs to your caravan

We will ask you to obtain a quote for repairs.

We will consider the quote you provide, and we will authorise repairs for the amount of the assessed quote from your repairer.

In some circumstances we, or our assessors, may also need to inspect the caravan to assess the damage you must co-operate with us to facilitate this.

The repairs will be authorised if your repairer's assessed quote meets industry standards including appropriateness of materials, repair method, labour costs, material costs, safety and overall cost effectiveness of the repairs.

If we don't authorise repairs

If we pay you the amount of the assessed quote, we don't authorise repairs.

You will not be entitled to the lifetime guarantee on repairs that we do not authorise.

CIL Lifetime Repair Guarantee for caravan repairs

The quality of the workmanship and the materials authorised by CIL in the repair of your caravan will be guaranteed for its life. The parts used in the repair of your caravan will be of the same type as those explained on these pages.

If you are concerned about the quality of the repair of your caravan you must call us on 1800 112 481 and you must make your caravan available to us. You must not authorise rectification work without our written authority. We will inspect the repair and arrange any necessary rectification work. If it would not be safe or economical to carry out the rectification work required, we will declare your caravan a total loss.

When we authorise repairs to your caravan we will:

- ensure the repair work is properly carried out;
- use new parts or parts that are consistent with the age or condition of your caravan, including aftermarket equipment parts. These parts will meet available manufacturer's technical specifications and/or applicable Australian Design Rules;
- only use new original equipment parts if your caravan is under the manufacturer's standard new caravan warranty period (but not under any extended dealer/manufacturer warranty period).

However, the following conditions also apply:

Glass repairs

Where available we will use aftermarket parts for windscreens and window glass (including sun roof) and repairs will meet Australian Design Rules.

Unavailable parts

Where a damaged part is no longer available, we will pay you the last known market price of that part.

We are not responsible for costs which occur because of delays in delivery of parts. If a part is unavailable in Australia we will pay the cost of surface freight (not airfreight) from the nearest reasonable source of supply.

Caravan identification

Where your caravan's identification, such as its compliance, build or VIN plate or label, has been damaged, we will try to source a replacement from its manufacturer. If we cannot source it for you, we will attempt to obtain a letter from the manufacturer to confirm your caravan's identity and that its original identification has been damaged. We will still repair your caravan without replacing any damaged identification, unless an alternative form of identification is required by law.

Sub-contracting repairs

We may sub-contract, and any repairer we authorise to repair your caravan may sub-contract, some of the repairs. We require our sub-contractors to abide by the same service standards we uphold.

Matching materials

When repairing your caravan or your annexe, we will try to match materials with those originally used. However, where it is not possible or not economically viable, we reserve the right to pay for the nearest equivalent or similar materials.

When we repair your caravan, we will not:

- pay to repair your caravan to a better standard, specification or quality existing before the loss or damage;
- pay to fix a fault or defect in your caravan, or fix faulty repairs, other than to the extent we are responsible from repairs we authorised;
- pay to repair pre-existing damage. See 'Contribution to repairs' below.

Contribution to repairs

There may be instances where we are unable to carry out accepted repairs due to pre-existing damage to your caravan. Examples of this include neglect, wear and tear, weathering, rust, mould, mildew or corrosion. In these instances, we will ask you to pay for the cost of repairing the pre-existing damage so that repairs can be carried out safely.

If you do not want to pay these amounts, we will pay you the amount of the assessed quote from your repairer for repairs directly related to the accepted claim.

If your contents are damaged

When we repair or replace your contents we will:

- ensure the repair work is properly carried out;
- repair or replace with items or materials that are reasonably available at the time of repair or replacement from Australian suppliers.

Items that form part of a set or collection

We will only repair or replace contents that are lost or damaged by an incident covered by your policy. We do not cover undamaged contents including items that form part of a set or collection.

If your caravan and/or annexe has been stolen

If your caravan is found within **14** days of it being stolen and is damaged, follow the process of 'If your caravan or annexe is damaged' (see page 55).

If your caravan and/or annexe is a total loss

Your caravan and/or annexe becomes a total loss if:

- it is stolen and unrecovered after **14** days and your claim for theft of your caravan and/or annexe is covered under your policy; or
- it is uneconomical or unsafe to repair, including where the combined repair costs and salvage value are likely to be more than the amount insured by your policy.

We will also have regard to the law in relation to what is considered a write off in your State or Territory when determining when a caravan is to be written off.

For caravans where the 'New caravan after a total loss for caravans less than **2** years old' additional cover applies, see page 40.

For all other caravans we will pay you the caravan amount insured shown on your schedule less any deductions that apply.

If your annexe becomes a total loss and your claim for loss or damage to your annexe is covered under the additional cover 'Included annexe cover' we will pay you the market value of the annexe less any deductions that apply.

If your annexe becomes a total loss and you have the optional cover 'Annexe cover' and your claim for loss or damage to your annexe is covered under that optional cover we will pay you the annexe amount insured shown on your schedule less any deductions that apply.

Deductions from your total loss claim

When we pay you for a total loss claim we will deduct the following where applicable, from the amount we pay you:

- excesses;
- unpaid premium including any unpaid instalments for the period of insurance;
- any unexpired registration;
- any input tax credit entitlement, see page 69;
- our estimate of the salvage value.

Where we provide you with a new caravan you will have to pay us any of the above applicable deductions.

Caravans under finance

When we pay you for a total loss claim, if a credit provider has a financial interest in your caravan then we will pay them what they are entitled to (up to the value of your claim) and pay you any balance. If the credit provider requests to retain the salvage we will settle them less the salvage value amount.

We own the caravan, annexe or contents salvage

When we replace your caravan, annexe or contents or pay you for the total loss, the salvage becomes our property.

If a credit provider is entitled to the salvage of your caravan, annexe and/or contents, then we will deduct our estimate of the salvage value of your caravan, annexe and/or contents from any amount that we pay.

After we pay your claim

Potential impact on cover and premiums

If we replace your caravan, repair your caravan, annexe or contents or pay you the cost of repairs, your policy continues for the period of insurance.

If your caravan is a total loss and you are not entitled to a new replacement caravan (see page 40), all cover under your policy comes to an end. There is no refund of the premium.

If your annexe is a total loss, the optional cover 'Annexe cover' will end and any replacement annexe will only be covered under the 'Included annexe cover', see page 43. You can ask us to reinstate the optional cover 'Annexe cover' for the replacement annexe for an additional premium.

If we pay a claim for the total amount insured under the optional cover 'Increased contents cover', your contents cover under this option will end. You can ask us to reinstate the optional cover 'Increased contents cover' for an additional premium.

Our right to recover from those responsible

If you've suffered loss or damage or, incurred a legal liability as a result of an incident covered by this policy and you make a claim with us for that incident, then we have the right and you have permitted us to take action or start legal proceedings against any person or entity liable or, who would be liable to you for the recovery of your loss.

"Your loss" means your insured, underinsured or uninsured loss or damage or legal liability, costs, payments made and expenses in relation to the incident. Any action or legal proceeding we take will be commenced either in your name, or in the name of any other person or entity that suffered your loss. We will have full discretion over the conduct and any settlement of the recovery action.

Our right to recover from those responsible cont.

If you make a claim with us for your loss and you've already started action or legal proceedings against any person or entity liable or, who would be liable to you for your loss, then we have the right and you have permitted us to take over and continue that action or legal proceeding.

Where your loss forms part of any class or representative action which hasn't been started under our instructions, we have the right and you permit us to exclude your loss from that class or representative action for the purpose of us including it in any separate legal proceedings which are or will be started under our instructions.

You must provide us with all reasonable assistance, co-operation and information in the recovery of your loss.

This assistance may include:

- providing a more detailed version of events, which may include completing a diagram or statement/affidavit;
- providing us with any documents required to prove your loss;
- providing copies of any photographs or footage of the incident available;
- lodging a police report or obtaining relevant documents, such as completing and lodging an application form to obtain records from the police, fire and rescue, councils and other entities (when we cannot lodge one);
- attending court or meetings with our legal/other experts (only if required);
- providing evidence and documentation relevant to your claim and executing such documents, including signed statements and affidavits which we reasonably request.

We will pay for the cost of filing the police report and relevant searches to locate the third party. We will cover the costs you incur when having to attend court up to **\$250** in total per claim.

You must not enter into any agreement, make any admissions or take any action or steps that have the effect of limiting or excluding your rights and our rights to recover your loss, including opting out of any class or representative action, unless we have given you our prior written agreement. If you do, we may not cover you under this policy for your loss.

HOW WE SETTLE CLAIMS – SOME EXAMPLES

These are examples only of how a claim payment might be calculated and are not part of your policy. You should read them only as a guide. Every claim is considered on an individual basis because every claim is different. Please note:

- all amounts are in Australian dollars and are GST inclusive;
- all examples assume that the policy holder is not registered for GST; and
- the excess amounts stated are examples only and may be different to your excesses under your policy. Refer to your schedule.

Example 1 – Total loss

Your 4 year old caravan is covered for an amount insured of \$15,000. In this example your basic excess is \$300. Your caravan is damaged by hail and the cost of repairs to your caravan will be \$13,500. Based on what it would cost to repair your caravan plus its salvage value, your caravan is a total loss. As your caravan is more than 2 years old, the 'New caravan after a total loss for caravans less than 2 years old' additional cover does not apply to you.

What you are claiming		Additional information
Amount insured	\$15,000	Your caravan is a total loss when it is uneconomical or unsafe to repair.
Less excess payable	-\$300	As your caravan has been damaged by hail the basic excess applies. We deduct this from the amount we pay to you unless you have already paid the excess to us for this claim.
Less unexpired registration	-\$250	You can collect a refund from your state or territory roads authority. If instead we decide to collect the refund from the relevant authority or insurer ourselves, this amount will not be deducted from your claim.
Claim so far	\$14,450	We would normally pay this directly to you. If a credit provider has a financial interest in your caravan then we would normally pay your credit provider (up to your amount insured) that they are owed first and pay any balance to you.
If your insurance was paid through instalments of \$60 per month and there are four remaining monthly payments in the period of insurance when your caravan is damaged:		
Less outstanding premium	-\$240	The 4 x \$60 monthly payments become due when we decide your caravan is a total loss. We normally deduct this from the amount we pay to you.
Total claim	\$14,210	

All cover on your caravan stops, your policy ends and there is no refund of the premium. The salvage becomes our property and we are entitled to keep the proceeds of its sale. This does not affect the amount we pay you.

Example 2 – New caravan after a total loss

Your caravan is covered for an amount insured of \$29,800. In this example your basic excess is \$600. Your caravan is damaged completely by fire and it is a total loss. You have Australia wide cover for your caravan and you are more than 100 km from your usual home. Your caravan is less than 2 years old and you qualify for the 'New caravan after a total loss for caravans less than 2 years old' additional cover (see page 40 for details). The cost to replace your caravan with a new one of the same make and model including all on road costs is \$31,300.

What you are claiming		Additional information
Cost to replace your caravan including on road costs	\$31,300	We pay \$31,300 because your caravan is less than 2 years old and you qualify for the 'New caravan after a total loss for caravans less than 2 years old' additional cover (see page 40 for details). We pay this amount directly to the caravan dealership.
Replacement cost of caravan contents	\$1,000	Your policy provides up to \$1,000 additional cover for contents. In this example, you have not taken out the 'Increased Contents cover' option. Our assessor has confirmed that the loss of your contents exceeds \$1,000. We pay the \$1,000 directly to you.
After claim expenses	\$500	As you have lost the use of your cooking facilities you are entitled to claim under the additional cover 'After claim expenses'. We pay you \$500 for the cost of your meals.
Plus temporary accommodation costs	\$1,400	We settled your claim 14 days after you told us about your caravan being involved in a fire. We pay your temporary accommodation costs of \$100 per day (we pay up to \$150 per day), for 14 days as the caravan is not your usual home.
Less excess payable	-\$600	You pay your excess directly to us.
Removal of debris	\$1,000	We pay the reasonable costs for the removal and disposal of your caravan and contents. We pay the provider directly.
Total claim	\$34,600	

Example 2 cont.

Because we replaced your caravan, the policy will continue to its expiry date. The salvage becomes our property and we are entitled to keep the proceeds of its sale. This does not affect how much we pay.

Example 3 – Partial loss

You have insured an unregistered on-site caravan for an amount insured of \$12,000. You have taken out the 'Annexe cover' option (see page 48 for details) for an amount insured of \$3,000. You have also taken out the 'Increased contents cover' option (see page 48 for details) with a total amount insured for your contents of \$2,500. In this example the basic excess is \$300.

Your caravan is broken into, causing damage to the annexe and caravan door. Your television and DVD player have also been stolen and you have reported this to the police. The repairs to your annexe and caravan door will cost \$1,500 and it will cost \$800 to replace your stolen contents.

What you are claiming		Additional information
Damage to annexe and caravan	\$1,500	We repair your caravan to its prior condition, standard and specification it was before the incident. We normally pay the cost of repairs directly to the repairer.
Replacement cost of caravan contents	\$800	For this claim we pay you the amount of the assessed quote to replace the stolen items.
Less excess payable	-\$300	As your claim for your annexe, caravan and contents was caused by the one incident, you only pay one excess (being the highest applicable excess). You pay the excess directly to us.
Total claim	\$2,000	

Example 4 – Legal liability

Your policy includes legal liability cover. In this example the basic excess is \$300. You reside permanently in your caravan. You invited a guest over for morning tea. When your guest was leaving, your caravan's attached folding steps collapsed, causing your guest to fall and injure their ankle and lower back. Your guest has made a claim for compensation for the amount of \$9,000. We assess this claim and determine you are legally liable for these amounts.

What you are claiming		Additional information
Total amount of your liability	\$9,000	We assess the claim and agree you are liable for the injury and the amounts claimed. We pay this amount to the injured party.
Less excess payable	-\$300	You pay your basic excess to us.
Total claim	\$8,700

IMPORTANT THINGS TO KNOW - OUR CONTRACT WITH YOU

In this section we set out more important information about your contract with us, including:

- information about your premium;
- paying your premium and what happens when your premium is late;
- how your policy operates and responds where there are joint policyholders;
- how the GST affects this insurance;
- what happens with cancellations.

About your premium

The amount you pay for this insurance is called the premium. Your premium includes any applicable GST, stamp duty, other government charges and any levies that apply. The premium will be shown on your schedule as the 'Total Amount Payable', or if you pay by monthly instalments, as 'Instalment Amount'.

The amount of the premium reflects our assessment of the likelihood of you making a claim and our costs of doing business. We use many factors about you and your caravan to calculate the premium.

Refer to the Secure™ Caravan Insurance Additional Information Guide for more information.

Paying your premium

You must pay the premium by automatically the due date to get this insurance cover. We will tell you how much to pay and when payment is due on your schedule.

If we agree, you can pay the premium by instalments.

If you ask to pay the premium by automatically debiting your account or card, we will automatically continue doing so on renewal so that your policy can renew. You can contact us to stop this.

If you make changes to your policy details, it may affect the premium you need to pay for the remaining period of insurance.

Late annual renewal payments

If you do not pay the premium due on renewal by the due date, you have no cover from the due date.

Late monthly instalments

If you pay your premium by monthly instalments and a monthly instalment is overdue we will let you know, and we can cancel your policy:

- by giving you at least **14** days advance notice; or
- without advance notice, once an instalment is **1** month (or more) overdue.

Joint policyholders

When you insure your caravan in the names of more than one person, and all of those people are named insured on your schedule, each of them is a joint policyholder and is able to request changes and otherwise deal with the policy. The reason for this is that these joint policyholders each have an interest or ownership in the caravan.

We will treat a statement, act, omission, claim, request or direction (including a request to change or cancel your policy) made by one policyholder (either before you purchase this

policy and during the period of insurance), as a statement, act, omission, request or direction by all policyholders. A policyholder means a named insured on your schedule.

There are, however, some exceptions to this.

During the period of insurance, we might ask all joint policyholders before we action a request or direction in relation to your policy (e.g. before we cancel your policy, reduce your cover or remove another policyholder). This way we can help protect the interests of all policyholders.

Conduct of others

When we consider a claim under this policy, we will have regard to any prejudice suffered by you or any other person entitled to benefit under this policy in relation to that claim, caused by mental illness of, substance abuse and/or an act of violence or intimidation by, another policyholder or person entitled to benefit under this policy. In doing this, we may meet the claim when we are not legally required to do so. If we do, we will limit the claim in relation to the person claiming to an amount which is fair in the circumstances. However, this does not apply if we are relying on the below exclusion to reduce or refuse a claim under your policy:

- Alcohol, drugs, medication (see page 24).

How the Goods and Services Tax (GST) affects this insurance

You must tell us about the input tax credit (ITC) you are entitled to for your premium and your claim, each time you make a claim. If you do not give us this information or if you tell us an incorrect ITC, we will not pay any GST liability you incur.

If your caravan is a total loss we will reduce any payment we make by an amount equal to your input tax credit entitlement, if any.

In all other circumstances our liability to you will be calculated taking into account any ITC to which you are entitled for any acquisition which is relevant to your claim, or to which you would have been entitled had you made a relevant acquisition.

In respect of your policy, where you are registered for GST purposes you should calculate the insured amount having regard to your entitlement to input tax credits. You should, therefore, consider the net amount (after all input tax credits) which is to be insured and determine an insured amount on a GST exclusive basis.

This outline of the effect of the GST on your policy is for general information only. You should not rely on this information without first seeking expert advice on the application of the GST to your circumstances.

'GST', 'input tax credit', 'acquisition' and 'supply' have the meaning given in A New Tax System (Goods and Services Tax) Act 1999.

What happens with cancellations

Cancellation by you

You can cancel this policy at any time. For each caravan cover cancelled, you will be refunded the unexpired portion of the premium attributable to that caravan cover (including GST if applicable), less any non-refundable government charges. We will not give a refund if the refund due is less than **\$10** (GST inclusive). If you pay by instalments, on cancellation you agree to pay us any portion of the premium that is owing but not yet paid and that amount is due and payable.

Cancellation by us

We can cancel your cover where the law allows us to do so. For each caravan cover cancelled, you will be refunded the unexpired portion of the premium attributable to that caravan cover (including GST if applicable), less any non-refundable government charges. We will not give a refund if the refund due is less than **\$10** (GST inclusive). If we cancel your policy due to fraud, we will not refund any money to you.

We actively pursue fraudulent and inflated claims in order to keep your premiums as low as possible. Fraudulent claims will be investigated and may be reported to the police.

Help us fight insurance fraud by reporting:

- inflated vehicle or home repair bills;
- staged vehicle or home incidents;
- false or inflated home or vehicle claims;
- home or vehicle fires which may be intentionally started, including by someone known to you.
